BIKING SAFETY TIPS

Obey Traffic Signals and Signs. Always come to a complete stop at stop signs.

Avoid Door Zones. Leave enough space (at least 1 metre) when passing parked vehicles in case the driver or passenger opens the door.

Yield. Always yield to pedestrians crossing the street and to buses departing from a stop.

Bicycle Lights. Required by law between dawn and dusk, these are fitted onto your U-bicycle.

Stay off Sidewalks. Do not ride on sidewalks or crosswalks unless directed by a sign.

Hand Signals. Signal before turning and make eye contact to ensure road users see you. Always do a shoulder check for traffic before you signal a turn.

Helmet Use. All cyclists are required by BC law to wear a helmet.

U-BICYCLE TIPS

Lock Up Your Helmet. Slip the strap over the bolt while locking to secure it for the next user.

Park Responsibly. Always park at U-bicycle designated bike parking stations.

Report Bike Damage. Never ride an unsafe bike. Contact U-bicycle at 1 866 427 3116 (live customer support from 9:00AM – 6:00PM daily) or use the live chat in the app if you discover a damaged bike.

Trip Ended But It Won't Lock? Scan and lock the bicycle a second time. Trips under one minute are free.

BIKING IN RICHMOND

With an abundance of scenic and shoreline views—plus relatively flat topography—Richmond is a biking hot spot for cyclists of all skill levels. And with more than 80 kilometres (50 miles) of designated routes, you'll also discover lots of camera-worthy urban, historic, and nature pit-stops en route. You might even spot birds, such as bright yellow Wilson's Warblers or colourful Anna's Hummingbirds.

To promote bike tourism in Richmond, Tourism Richmond is collaborating with U-bicycle, Western Canada's largest dockless bike share program, to offer visitors an alternative method to navigate the city.

Go on, hop on a bike and enjoy Richmond's many sights! See the back of the brochure for more information on U-bicycle.

THIS SUGGESTED ITINERARY COMBINES SOME OF RICHMOND'S TOP LANDMARKS, ATTRACTIONS, AND SCENIC SITES IN A NICE CIRCLE ROUTE. ENJOY CYCLING ALONG DESIGNATED OFF-ROAD BIKE PATHS ALONG THE WEST DYKE TRAIL AND EXPERIENCE SOME OF THE BEST VIEWS IN RICHMOND.

1 Start at **Aberdeen Canada Line Station**, go west on Cambie Road to the Middle Arm Dyke Trail on the Fraser River.

Visit the **Olympic Experience at the Richmond Olympic Oval** 2, home of Canada's first official Olympic Museum (30 minutes).

3 From here, cycle east along River Road and turn left onto Gilbert Road. Cross the Fraser River via the Dinsmore Bridge, cross Russ Baker Way and turn right on the pathway to reach **Larry Berg Flight Path Park** 4. It's perfect for snapping shots of thunderous planes on their descent into Vancouver International Airport.

5 Retrace your tracks on the Russ Baker Way path then head south over the Fraser River on No.2 Road Bridge. Follow the signs and ride along the shoreline of the Middle Arm Dyke Trail towards **Terra Nova Rural Park** 6 (15 minutes). Check out the observation platform here and keep your eyes peeled for the park's abundant plants and birdlife (20 minutes).

Now on the West Dyke Trail, cycle south towards **Steveston Village** 7 (20 minutes). Grand, panoramic photos of the Gulf Islands will be calling on your right and you'll soon reach waterfront **Garry Point Park** 8.

A short hop from the park (3 minutes), the **Gulf of Georgia Cannery National Historic Site** 9 is a must-visit museum with plenty of evocative photo opportunities. From the Cannery, follow the curving Bayview Street towards the waterfront and nearby **Fisherman's Wharf** 10 (2 minutes). Explore the boardwalk, survey restaurant menus for dinner options, and peruse the fishing boats and their fresh-catch offers (15 minutes).

From here, continue cycling along the scenic shoreline to **Britannia Shipyards** 11, Steveston's other National Historic Site (15 minutes). This complex of heritage buildings and preserved boats has plenty of salty stories to tell.

From Britannia Shipyards, hop on the **Railway Greenway** 12 back to Middle Arm Dyke Trail and onwards to Aberdeen Canada Line Station.
