

CRE8IV: Transformational Art is a community-building, public art program and is part of RACVB's placemaking and beautification efforts. CRE8IV arts projects include professional murals and sculptures designed to enrich the region and provide access to art for our residents and visitors. Donate towards a sculpture, or help to fully fund a sculpture. Donor & Sponsor benefits include: Recognition on the sculpture signage, Chamber Voice Article, Social Media post, Website, Blog, Municipal Quarterly reports, & more.
