FREQUENTLY ASKED QUESTIONS

Is Stroll on State family friendly?

YES! We pride ourselves on being a family friendly event that is put on for the community and by the community. All of our attractions are designed for families, students, couples and seniors alike.

What are your safety protocols related to Covid-19?

We take the health of our guests, volunteers, staff and community very seriously. Event organizers have worked closely with the Winnebago County Health Department and City of Rockford to ensure the event is following every recommendation and mandate and also put additional safety measures in place.

How do I plan my time at Stroll?

Use the website! **strollonstate.com** this is the very best tool to map out your time at Stroll. The website will be updated throughout the year and have the latest maps available for download. Don't forget to review the list of vendors so that you know what you want to eat and where you want to shop!

Can I bring my pet to Stroll on State?

We know pets are like family, however, pets/animals are not allowed within the Stroll footprint. If you are found with a pet, you will be asked to leave the festival grounds. This policy is due to the overall festival environment; the presence of food and drink is often stressful for animals and has led to bites and other

incidents. It is cold, crowded, and loud. This environment can be very stressful for animals and a usually well-behaved pet may feel the need to protect its owner by attacking another person or animal. Anyone bringing an animal to Stroll on State will be responsible for and liable for any damage or injury caused by the animal. Traveling into Rockford with your pet? Be a responsible and loving dog-parent by leaving them at an animal kennel before the festival hours. For Americans with Disabilities Act info, please see the "SERVICE ANIMALS" section below.

Service Animals

Under the Americans with Disabilities Act, the definition of "service animal" is limited to a dog (or pony) that is individually trained to do work or perform tasks for an individual with a disability who is in attendance. The task(s) performed by the dog must be directly related to the person's disability. Under the ADA, "comfort," "therapy," or "emotional support animals" do not meet the definition of a service animal. – U.S. Dept. of Justice. Unfortunately, we have had people abuse the right to have a service animal with them at the festival and these dogs have caused problems on-site. These pet-owners are taking advantage of people with disabilities, threatening the health and safety of all people and of service animals. If you have a certified service animal that you are always required to have with you, you'll be required to have your service animal with you and ON LEASH at all times. Under the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices.

Can I have a bike, scooter or skateboard at Stroll on State?

Do to space and safety reasons, bikes, scooters and skateboards are not allowed within the Stroll footprint. If you are onsite with one of these items, you will be asked to remove it from the festival grounds and store it offsite at your own risk.

Where do I park?

The absolute best option is to park at one of our shuttle locations. However, if you prefer to drive, please refer to the Stroll on State map. Many surface lots are used as part of the festival and garages may be reserved. Parking, particularly on the east side, fills up very quickly.
