Vendor's Responsibility for Damage

The vendor shall be held responsible for damages to FCB sites or any City of Rockford Property resulting from the vendor's actions. In the event of vendor-related damages, the vendor shall, at its own expense, correct any vendor-related damages to a condition equal to or greater than existed prior to the occurrence of said damage. Corrective measures include repairing, rebuilding, replacing, or compensating for damaged property as directed by FCB and the City of Rockford, IL.

Roadway and Civic Space Requirements

In performing the Services, the vendor shall provide the necessary traffic control devices to warn the public and to delineate the work zone as required. It is the vendor's responsibility to know and adhere to the most current traffic provisions, specifications and standards of the roadway and civic space, on which work is being conducted.

Lane closure hour restrictions are imposed on weekdays (Monday through Friday) from 8 a.m. – 9:30 a.m. and 4:30 p.m. – 5:30 p.m. to facilitate the flow of traffic. Additional lane closure hour restrictions may have to be imposed to facilitate the flow of traffic to and from major sporting events and/or other events. Lane closures must be approved fifteen (15) business days in advance for city roads.

Private vehicles shall not be parked in a work zone. Vendor equipment and/or vehicles shall not be parked on the sidewalks and weight of equipment should not exceed standards set by the City of Rockford for weight distribution. Vendor equipment may be on a sidewalk, if being used. Care for pedestrian safety must be exercised.
