## 2024 Fork Around Participating Restaurants

Welcome to Kaiser Permanente IRONMAN California, part of the Vinfest United States Series and welcome to Sacramento, America's Farm-to-Fork Capital! Sacramento has been an agricultural hotspot for more than a century, boasting a year-round growing season, an ideal climate, and plenty of agriculture to harvest. Chances are that while enjoying a meal in the Sacramento region, the ingredients on your plate were sourced from a local farm. We invite you to come back next year and enjoy Sacramento's Farm-to-Fork Festival in September. In the meantime, enjoy a meal from the list of local restaurants, many featuring foods crafted with ingredients from up the road.
