### **Sacramento Convention Center and Community Center Theater**

On Tue., Sept. 25, City Council passed a resolution authorizing the issuance and sale of Transient Occupancy Tax Revenue Bonds, which will be used to finance the Memorial Auditorium Renovation Project, the Sacramento Convention Center Expansion and Renovation Project, and the Community Center Theater Renovation Project. The Memorial Auditorium Renovation Project began in June 2018. In Dec. 2018, the Convention Center Administration Offices at 1030 15th St. will be demolished in preparation for the July 2019 start of the Convention Center Expansion Project.

On Mon., Oct. 22, the City will be holding a community meeting to provide an overview of the Sacramento Convention Center Expansion and Renovation Project and the Community Center Theater Renovation Project. The project team and City staff from parking and traffic will be in attendance to address any questions on impacts. The meeting will be held at the Sacramento Convention Center in Room 202 at 6 p.m. This meeting is open to all who are interested in learning more about the projects.
