# ROWAN COUNTY TOURISM BOARD OF DIRECTORS MEETING – In Person and Virtual

Wednesday, March 16, 2022: 12:00 pm

### **BOARD MEETING & PLANNING SESSION MINUTES**

**Board Members Attending:** Don Bringle, Vivian Hopkins, Sada Troutman, Craig Pierce, Michelle Patterson, Krista Osterweil, Karen Alexander, Cyndi Greenwood

Not Attending: Stephen Kidd, John Ketner

TDA Staff: James Meacham, Sarah Michalec, Tara Furr, Brooke Arrowood

### **RCTDA Call to Order**

Osterweil called the Rowan Tourism Board meeting to order at 12:00pm. Meacham introduced Brooke Arrowood, new Tourism team member who graduated from Appalachian State University and has background in attractions and hotels. Brooke is originally from Salisbury and will be serving as the new destination content coordinator. Members introduced themselves around the table for Brooke.

### Organizational & Financial Update

Meacham gave an organizational update wrapping up where the organization finished as of February 28, 2022. Meacham reported revenue on an accrual basis fiscal year to date from occupancy taxes equals a little over \$800,000 and is 35% ahead of initial 2021-22 budget projections. Meacham noted that through January 2022 collections were 72% higher than January 2021. This was the first major double digit increase prior to a pandemic month. January 2020 was the highest occupancy revenue total on record. January 2022 occupancy revenue was 20% higher than January 2020. February 2022 occupancy tax is projected to be on par with January 2022 around \$94,500, which is 10% higher than February 2020. Meacham reported that all the Covid relief ARP grant monies have been disbursed as allocated by the board.

Meacham reported total current assets of \$514,000 Accounts receivables were \$192,000 consisting of January and January occ. taxes. Cash on hand was \$320,000 an increase of \$61,000 since the last report. YTD staff continues to make internal budget adjustments to match the revenues as they come to materialize. The original 2021-22 occupancy tax revenue budget was built on \$945,000, as of February it is at \$805,000. The budget will end in excess of the projected \$945,000. The budget and finance committee has discussed recommending using the excess to retire the branding loan. Total assets equaled \$3,367,313 as of 2/28/22. Meacham reported that staff continues to see strong growth in the local lodging market.

### **Destination Marketing Report**

Meacham reported that overall hotel rates and occupancy rates are staying very healthy. Occupancy rates were above 70% and in a growth market. Meacham noted that the local Airbnb and VRBO property performance continues to hold at a 12-15% of the lodging market. In January 2022, \$12,600 of the \$96,000 in occ tax revenue was from those local properties. Meacham said that if these growth rates continue interest in local hotel development should pick up once again.

Michelac reported that the e-Newsletter focused on upcoming events last month with a 31% open rate. There were 20,000 vistors to the website. Visitors by location showed 65% from NC, 5% GA, 4.5 from VA, and 2.5% from Florida and SC. Interesting, someone from each of the 50 states viewed the site last month. Last month's social media focused on things to do, special events, and eating local. The Blog featured events in area and had 1100 views. Total year to date reach was 1.5 million and engagement is just over 67,000.

Furr reported that were 14 Trolley bookings YTD through February and staff continues to see increases in demand. Group bookings look to be strong again in the second half of this year. Meacham said that staff has made the decision to not bring back Saturday Trolley tours at this time, but will continue to evaluate.

Furr reported that tourism support remains the same as January as winter months are often less active. Furr did note that applications are starting to come in for spring events. Furr said she is happy to see the group business returning to the area. Rail Passenger Car Conference is back on the books for 2023, the Smoke-out will be at the Fairgrounds and Little League will take place in July again. Catawba College has also reached out about a group event occurring in July that staff is excited about.

Furr reported the new website launch will take place in late April. The new package booking system will also go into place in April with Day Out with Thomas packages. Staff is really excited about this new booking system as it will make the customer service aspect better for our visitors and offer the opportunity for more package deals to be offered.

Furr reported the second photo shoot will take place in the last week of April 2022. Spring marketing includes the new tourism branding refresh which will feature new designs, new copy which incorporates more of an adverb approach. Furr noted that with the adverb approach staff will be using the messaging of "explore original" and "adventure original" in May through July 2022. Staff is also working with Our State magazine as well as radio on XSM media for the spring marketing. XSM media is streaming media and ads will run on Sirius and Pandora streaming music platforms in Charlotte, Greensboro, and High Point areas.

Meacham reported that May is national tourism month, and an internal PR campaign will take place encouraging people to action within the community. Meacham said a series of in town billboards will be put in place on Hwy 150, Hwy 29, and Hwy 52 to encourage citizens to visit local, shop local and eat local. Furr noted that the TV marketing also aligns with encouraging local tourism with ads featured on weather on the ones.

Furr reported that paid social media and Google PPC will continue with all marketing with special focus on short distance travel, Polar Express, Strawberries, and local events. Furr showed the group some of the new local designs that will be featured in the spring marketing. Meacham noted that the website and email addresses have been revised to reflect the redo with visitrowancountync.com. The old addresses and emails redirects to the new addresses.

The Cannon Ballers partnership has been renewed and will bring back the "Where is Boomer?" videos that were so popular. Furr reported that expanding upon the "Where is Boomer?" concept, a Cannon Baller player

will be used in the new videos. The ribbon board ads will continue in right center field, the concourse sign, and the upper club seats program, as well as the four premium seats that were utilized as giveaways on social media last year. There will also be a hospitality appreciation event for all the local tourism partners on May 5<sup>th</sup> during national hospitality week. Partners will be invited out to the game and seats provided in the picnic area of the stadium free of charge in appreciation for all the local tourism partners. An email will go out to all tourism partners allowing anyone to RSVP to the event.

Michalec reported that a new platform (Datafy) that captures visitor behavior data from mobile advertiser id's that pull from 200 million devices in the United States. The program uses clusters of points of interests to create geofences that can then be targeted to see what the visitor does when visiting the destination. Tracks 34% of credit cards with the states so it gathers spending data. The data collected can include dining, shopping, attractions, gas purchases, etc... The data can then be viewed and analyzed to see where the visitor comes from and what they do when visiting and will allow staff to target those interests and behaviors.

### **Destination Development Report**

Meacham reports that Cavanaugh will be back in April to present the draft capital spending outline for the Board's consideration.

Meacham reported that Arrowood will be spending a great deal of time out in the destination getting to know places and people and trying to maximize engagement and social media content in the next couple of months. There will be a big emphasis on destination engagement heading into the summer in alignment with the launch of the new website and marketing related programs.

Meacham reported that the Gateway building key card and video monitoring system pricing has come in around \$40,000 - \$45,000 range. Meacham will meet with the primary four Gateway building tenants to discuss splitting the cost for these systems equally.

The meeting adjourned at 1:04 pm. Respectfully submitted. Lesley Pullium SRCVB
