## **FY2024 Individual Hotel Incentive Program Overview**

#### "Individual Hotel Incentive Program" Overview:

- The program is intended to assist district member hotels secure self-contained groups or meetings that could attract and/or retain overnight visitors to San Antonio, by providing financial assistance through a reimbursement program for specific eligible meetings/groups that meet the specific requirements of the program.
- The program is currently funded for Fiscal Year 2024: October 1, 2023 September 30, 2024.

#### **Hotel/Property Eligibility:**

- Hotel/Property must be an active SATPID member property currently submitting district assessments to the City.
- Applicant must be competitively bidding to secure the event, against other destinations and/or other properties.
- Submitted convention/meeting must meet a minimum 7:1 ROI (Room Revenue vs Incentive) see Pre-Event Application and Budget Form
- Applicant should submit Pre-Event Application and Budget Form at least 30 days in advance of event, however shorter booking windows will be reviewed.
- The Form outlines the primary information on the group, as well as specifies the type of incentive/s and amount requested.
- A Post Event Form is required to be submitted within 60 days after event ends. If Post Event Form is not submitted within 60 days after event ends, Applicant is at risk of losing previously approved reimbursable funding.

#### **Application Process:**

- Applications will be reviewed for eligibility and approved by the program administrator, Visit San Antonio.
- SATPID Board of Directors may review all eligible/approved applications at scheduled board of directors meeting.
- Applicants will be notified of their status upon the preliminary evaluation of the program administrator, and of any changes after a thorough review of the submitted application.
- If applicant meets the minimum requirements, the applicant will be notified of their eligibility to receive funding and the maximum amount to be awarded.
- In an effort to maintain the funding integrity of the program, it is the sole responsibility of the applicant to provide a status update (i.e. lost, turndown, definite, etc.) to the program administrator on or before the provided application "Event Decision Date." If applicant does not provide said status within three (3) business days of the provided "Event Decision Date," funds may automatically be released into the general fund for said program, nullifying and voiding the previously approved application. If the approved application is declared null and void, the applicant would need to re-submit said application for further consideration and approval by program administrator.
- If applicant is ultimately successful at bringing in the eligible convention/meeting, then applicant is required to provide all supporting documentation in accordance with the Post-Event Form requirements.
- After all required information and supporting documentation have been received, reviewed and confirmed by the
  program administrator, applicant will be granted an amount up to the previously approved maximum award based
  on the 7:1 return.

#### **Effective 10/1/23**

- Applicants may be reimbursed a lesser amount (than their previously notified reimbursement award) if their
  actual pickup is less than originally projected but still meets the 7:1 return post event. For budgeting purposes,
  applicants will not receive a greater amount of the previously approved eligible amount, even if actual pickup is
  greater than projection.
- Awards are based on program parameters and funding availability in the order they are received, for all
  approved groups arriving within a rolling 36 months from date booked definite.

#### **Application Details:**

- Hotels/Properties are eligible to submit a single or multiple applications over the course of FY 2024 (October 1, 2023 through September 30, 2024). However, all hotels/properties are capped at a sum total of \$75,000 in reimbursable incentive expenses for all their applications combined submitted in FY 2024 up until budgeted funds are exhausted in a given year.
- Meetings/Events receiving other SATPID funds are not eligible, nor existing 'definite" business opportunities.
- Individual applications should be submitted at least thirty (30) days prior to the meeting.
- A minimum of 10% of the applicant property's room inventory at peak must be utilized.
- A minimum Return on Investment (ROI) of 7 to 1 is required for applied funding; that is for every dollar provided in SATPID funding, seven dollars in hotel lodging revenues must be generated.
- Reimbursement payments to district member properties will be made <u>after</u> the event based on performance and receipt of Post Event Form.

### **Funding Process:**

- Within 60 days of the event's conclusion, the applicant must submit the Post Event Form including actual performance compared to projections and supporting documentation, or risk losing previously approved reimbursable funding opportunity.
- Post Event Form should also include support documentation confirming results, any research materials and 'proof of performance,"
  - such as, but not limited to the following:
    - Housing Bureau's 'actualized' room pick-up report
    - Group's Master Account Folio outlining room pick-up and corresponding average daily rates paid
- After review by the program administrator, expenses will be reimbursed proportionally based on actual performance up to the maximum pre-approved amount.
