get to know us

San Antonio is home to Southern Roots Vegan Bakery, a culinary gem brought to life by the dynamic husband-and-wife team, Marcus and Cara. In 2018, Marcus adopted a plant-based diet, inspiring Cara to create meals that would not only please the entire family but also her beloved grandmother.

After numerous kitchen experiments, Cara perfected a donut recipe that became an instant hit. The donut's simple yet rich flavor impressed not only friends and family but also vegan influencer Tabitha Brown. This recognition marked Southern Roots' first viral moment, propelling the bakery to incredible success and recognition.

Today, Southern Roots Vegan Bakery has been nominated as one of the Best Bakeries in the Country by VegNews. The bakery's Sweet Potato Pie was also ranked as one of the Top 10 in the US by PETA. As the bakery continues to grow and expand, we're proud to offer catering services tailored for the hospitality and tourism industries to bring our delicious vegan treats to a wider audience.

From San Antonio's farmers' markets to national acclaim, Southern Roots Vegan Bakery stays true to its commitment to quality, flavor, and the joy of sharing plant-based love with everyone.
