## Peachy Belle No. 5 at Tupelo Honey Cafe: Sandy Springs, Ga.

Cross a pina colada with peach pie and sweet tea and you get a frozen daiquiri that's an homage to Georgia's official state fruit and its unofficial favorite caffeinated beverage (/restaurants/nc/asheville/tupelo-honey-cafe-restaurant.html). Peach moonshine and sweet tea are blended with peach liqueur, white peach puree, pineapple juice, coconut milk, lime juice and Earl Grey bitters, then topped with whipped cream, basil sugar and lime.
