Color Connections:

The interplay of hue and light

Artists Call for Entries Prospectus

May 4 – July 5, 2024

The Walkers' Gallery invites artists to submit their work to the gallery's summer exhibit, in response to the theme: "Color Connections: the interplay of hue and light."

- **Theme:** The theme is open to interpretation and may be executed in any style, literal or symbolic, abstract and/or a reference to something personally meaningful. We're looking for your most colorful offerings to show the public this summer!

The only content restrictions are that all work for this family friendly public venue must be apolitical, non-violent and **G-rated!** No nudity is allowed, even if it is tasteful and artistic.*

- **Media:** All 2-D and 3-D media that can be safely hung on the walls or in the large windows are eligible to be submitted.

- **Number and size of entries:** We flexibly suggest that artists bring up to 2 large (36" wide or larger) or up to 3 medium (20-36) or smaller works, or a comparable combination of large and small. While this is not a juried show, and we have a large area to fill, we reserve the right to limit the number of entries in order to equitably include as many artists as wish to enter.

While size is not a concern, we do have a weight limit of **30 lbs.** per artwork.

- **Preparation and hardware:** *Pieces must come ready to hang* with hardware installed as close to the top as possible to avoid the artwork hanging forward at an angle from the wall.

- **Labeling:** You do not have to create a label for the wall; we will create uniform labels for all of the work. *However, please DO attach a secure label to the back of each artwork that includes your name, the title of the work, and the price.*

- **Money matters:** There are no entry fees for the exhibit, but there is a **limit of five entries** per artist.

Art may be for sale or not for sale (NFS) If the work is not for sale please include an insurance value on your entry form. The gallery retains no commission for sales; any sales must be conducted directly between the artist and buyer. *If sold, artworks must remain on the wall for the duration of the exhibit.*
