Outdoor Activities:

Saratoga Spa State Park Golf Course: 27 Holes of Premier Golf. The Championship Course is one of the premier public courses in the Saratoga-Capital Region of New York State, and a consistent recipient of 4 Stars from Golf Digest's Best Places to Play. The original holes were opened in 1936. In the late 1950s golf course architect William Mitchell was brought in, and designed the course we all enjoy today. Shortly thereafter, Arnold Palmer & Gary Player played a commemorative round to celebrate the course reopening. Set in a pine forest, the course derives much of its character from the majestic pines that frame several holes, creating a feeling of seclusion.

Disc Golf: Located by around the Peerless Pool, this nine-hole course offers two tees per basket and is technical yet beginner friendly.

Trails: With over 12 miles of both paved and unpaved trails, Saratoga Spa State Park offers plenty of opportunities to take a peaceful walk with your dog, go for a bike ride or get some trail running in.

Spa City Farmers Market: Open on Sunday the 21st from 10am-2pm and will be located either in the Lincoln Bath or outside depending on the weather. The Farmer Market features food, live music and vendors selling locally made and sourced products.
