## About Us

- **Founded in 1917**, The Costumer is a storied, employee-owned provider of theatrical costumes, makeup, hair, and below the line services to theatres, film and television productions, and performing arts programs.
- **200,000+ costumes** from every fashion era
- Annually, we create, customize, tailor, and ship **50,000+ costumes** for thousands of shows across the US. In our **Schenectady studio**, we also provide a one-on-one tailoring and custom costuming experience for hundreds of discerning characters.
- Through our **e-commerce business and retail store**, we are a leading seller of professional and special effects makeup, wigs and hair, props, adult and youth costumes, and lifestyle clothing (Goth, Cosplay, Drag, Burlesque, Pirate, LARP, Renaissance, and more).
- And **we do it all for love**—of art and story, of collaboration, and our mission of ensuring everyone of every age, body size, and identity has access to the transformative benefits of the arts.
