Celebrate Healthy Saratoga Weekend at THORN + Roots and receive:

10% off by mentioning Healthy Saratoga Weekend

At Saratoga's favorite healthy restaurant - THORN + ROOTS, our mission is simple: providing you (yes, you) with the fastest, healthiest, and freakishly good tasting - grain bowls, salads, killer avocado toasts, acai smoothie bowls, smoothies, and cold-pressed organic juices.

Offering vegan, vegetarian, and too many to name gluten free options, we can accommodate any dietary restriction.

Come check us out, order online, or grab us through Doordash and UberEats, or grab the best catering menu around.

We know you will be addicted in all the right ways!
