PREMIUM SPORTS FACILITIES

Sports are exciting, exhilarating, electric. Sports inspire us, motivate us and let us believe in the impossible. They're entertaining, terrifying and thrilling all at once.

Attending an event at SaskTel Centre, you can feel the energy of the crowd as they cheer on their favourite teams. Visiting the Shaw Centre, you can witness some of the best aquatic athletes in the country as they perfect their dives and break swimming records.

Saskatoon's sports facilities are home to some of the best in sport. Our athletes deserve state-of-the-art facilities to push themselves even further to get to that next level. At this very moment, the next generation of Olympic champions might be putting on their cleats and heading to the SaskTel Sports Centre for their first soccer game. They might be at the Physical Activity Complex wearing the green and white of Huskie Athletics. And they just might call Saskatoon home.

In addition to being a venue for marquis sport events, SaskTel Centre plays host to large trade shows and big-ticket concerts. The arena level can be converted to 60,000 square feet of exhibitor space and has hosted such events as the Juno Awards and the Canadian Country Music Awards.

GOLF

Saskatoon’s favorite pastime is golf. As soon as the snow melts, you’ll find Saskatoon’s golf enthusiasts out working on their swing. With six public courses and one private course in Saskatoon and the surrounding area, there’s plenty of opportunity to work on your short game. The Dakota Dunes Golf Links, ranked best new Canadian course in 2005 by Golf Digest, is home to the Dakota Dunes Open - a PGA Tour Canada event. This annual tournament features some of the best Canadian and International golf professionals. Whatever your skill level, from amateur to professional, Saskatoon has a golf course for you.

GOLF

Dakota Dunes Golf Links

Located on the historical Whitecap Dakota First Nation lands at the height of the South Saskatchewan River Valley Basin, the Dakota Dunes Golf Links is an 18 hole, full service, natural masterpiece. The course is laid spaciouly throughout natural sand dune formations and the indigenous prairie grasses that surround its edges. Five tee deck yardages ranging from 5,100 to 7,300 yards remove the threat of being over-powered by today’s technology. Undulating fairways with large greens will welcome shots of every shape. Whatever your ability to play, you will find the yardage and challenge to fit your game.

The Dakota Dunes Golf Links is the proud host of the PGA Tour Canada’s Dakota Dunes Open each year in July. A field of 156 professional golfers from around the world come to the Dakota Dunes to compete for the championship. This award winning course was named Best New Canadian Course by Golf Digest in 2005 and was listed fifteenth on Golf Digest’s Top 30 Canadian Courses in 2013.
