DISCOVER Saskatoon

Why become a member?

Businesses in Saskatoon come from a wide variety of industries and in a variety of sizes, but one thing remains the same: Saskatoon is the city we call home. We are not a small town anymore, and we are not a big city; we are a distinctive mix of the two. Humble but exciting, down-to-earth but proud, Saskatoon's essence is a part of every business here. Through cooperative marketing, local businesses can leverage our brand power to strengthen their individual marketing efforts.

Connection and community fuel business growth

On behalf of the Discover Saskatoon team and our partners at Saskatoon Destination Marketing Hotels, I invite you to join this exclusive and dynamic network.

The success of Saskatoon's visitor economy depends on our continued collaboration. Marketing our great city and businesses like yours is a top priority because memorable fond experiences mean greater economic impact for Saskatoon.

It is an honour to do this work, and I hope that soon - we can do it together.
