Shaw Centre

The Shaw Centre is a state-of-the-art aquatic and fitness facility, featuring one of the largest volume indoor pools in the world (holding 4.3 million liters of water). Together with a Myrtha stainless steel basin, this facility is used exclusively for the highest calibre swimming events. The pool was also designed to meet Federation Internationale du Natation (FINA) regulations for hosting aquatic events.

The competitive pool also features two one-meter spring boards; two three-meter spring boards; and a three, five, seven and a half, and ten meter diving platforms. The scoreboard and video display, sponsored by the 1989 Jeux Canada Games Foundation, is the largest installation for an indoor aquatic facility in North America.

The Shaw Centre is home to all of Saskatoon's aquatic sports (Swimming, water polo, diving, artistic swimming) and has hosted everything from annual tournaments to national championships.
