## Morro Bay, Los Osos and Avila Beach

Coming from the Native American word for “kayak,” Cayucos may be the best-kept secret in SLO CAL. Fans of this beach town aren’t shy about sharing their love for the community, its carefree attitude and adventurous spirit.

Los Osos & Baywood Park’s closeness to the calm bayside waters make it a uniquely relaxing hideaway. It’s also home to another hidden treasure tucked just off Highway 1 — Montaña de Oro State Park, where wildflowers flourish in the spring and tide pools brim with marine life all year round.

A relaxed escape with multiple beaches and piers, this oasis is your hub for a variety of things to do. Take your time to browse the boutique shops, sip the local vino and soak in the natural hot springs.

## San Luis Obispo, Santa Margarita and Paso Robles

Looking for a smile? Spend some time in San Luis Obispo — long celebrated as one of the Happiest Places in America. “SLO” as the locals call it, is minutes from pastoral Edna Valley wine country and the beach towns of Highway 1.

Santa Margarita is a stomping ground for those seeking the finer things in life. Get an adrenaline rush as you zipline thousands of feet above rows of lush vineyards. Hit the tranquil waters of Santa Margarita Lake by boat or kayak.

Nestled among the vine-draped hills just up from the sun-soaked California coastline, you'll find El Paso de Robles. It's translated as “The Pass of the Oaks” thanks to the abundant oak trees sprinkled all about the area. But here in The Land of SLO CAL, locals just call it “Paso.” This is cowboy-country meets world-class wine country.
