DEAR STAKEHOLDERS,

The Visit SLO CAL team is excited to share with you our FY 2017/18 Annual Report and a glance at the year ahead. With tourism as a key pillar of economic development in our county, Strategic Direction 2020 as our north star and your partnership; we have been able to expand our efforts and accomplish more than ever on your behalf. This report concludes year three of the Tourism Marketing District (TMD), a five-year initiative. The TMD remains instrumental in Visit SLO CAL’s ability to achieve the outcomes presented in this report and we are thrilled to showcase those results here.

Over the past year, we gained valuable knowledge and experience by filling open positions in marketing and communications, and by adding an important role in community engagement and advocacy. These team members not only add to our organizational capacity, but also expand the expertise we bring to our partners, helping make SLO CAL a leader in tourism.

Since the passage of the TMD, we have continued our progression from a Destination Marketing Organization (DMO) to a Destination Marketing and Management Organization (DMMO), advocating for SLO CAL’s economic sustainability and preservation. This past spring, we accelerated those efforts by launching the Destination Management Strategy, a key initiative outlined in our Strategic Direction 2020. Visit SLO CAL continues to align with the worldwide travel industry movement of protecting and improving the quality of life for all who encounter our destinations, ensuring a brighter, more prosperous county for decades to come.

This past year, we built on previous Travel Trade successes. Visit SLO CAL continued to grow strategic relationships and leverage opportunities on behalf of our investors in key international and group markets. Through our international trade contract with Black Diamond, Visit SLO CAL landed the covers and centerfolds in the largest travel and trade publications in the UK and attended the World Travel Market trade show in London for the first time. Visit SLO CAL’s promotional partnerships through trade shows, sales missions and familiarization tours have increased awareness of the SLO CAL brand, helped establish a collaborative tourism industry and created life-long ambassadors.

Marketing SLO CAL and establishing a unifying and emotionally resonant brand remain at the core of our efforts. In the past year, we broadened our reach in media relations, contracting our first national public relations firm, TURNER PR. We launched the new SLOCAL.com website in February, creating a more user-friendly, interactive experience and expanding our services for local businesses. We shifted from being a membership organization to one of inclusion, making Visit SLO CAL services, marketing and website listings available to all tourism-facing businesses and organizations in the county. With hundreds of additional listings, all new copy, along with fresh professional photograpy and video, SLOCAL.com is more comprehensive and engaging than ever before.

Our “Life’s Too Beautiful to Rush®” advertising campaign matured in year two, and Visit SLO CAL took center stage at the 2018 Visit California Poppy Awards, securing the trophy for Best Digital Campaign. Through strategic and data-driven insights, we continue to optimize the campaign performance and enhance the messaging of the brand to resonate with locals and visitors alike.

With the unwavering dedication of the Visit SLO CAL team and all of you, we have accomplished more than most imagined just three short years ago. The importance of tourism and the quality of life it creates in our county is becoming more evident to our communities. Although there is much work ahead, we remain focused on driving initiatives that work toward proactively crafting SLO CAL’s future. Congratulations on what we have accomplished together and thank you for your trust and support as we embark on another spectacular year in SLO CAL tourism.

VISION
A vibrant and prosperous SLO CAL, fueled by a collaborative and flourishing tourism industry

ABOUT
Visit SLO CAL (VSC) is a small, but mighty team of destination marketing and management professionals who work with, and on behalf of, the community and lodging investors to promote SLO CAL to travelers from around the world. As the sole countywide non-profit destination marketing and management organization (DMMO) for SLO CAL, VSC’s mission is to “inspire travel and foster our unique experiences to create life-long ambassadors and economic growth for SLO CAL”. VSC’s goal is to work with strategic partners and lodging constituents to build the SLO CAL brand through a data-driven, efficient and dynamic marketing program. Built on research, with a strategy of continuous improvement, this program aims to establish SLO CAL as a favorite West Coast destination that is known for its signature slower pace of life and wide variety of incredible, immersive guest experiences.
The Visit SLO CAL Board of Directors approved the organization’s three-year Strategic Plan (Strategic Direction 2020) in June 2016. Since then, the VSC staff, board and partners have been executing key initiatives to accomplish the outlined objectives and five over-arching imperatives. The SLO CAL brand is catching on around the world. In FY 2017/18, Visit SLO CAL’s Travel Trade Department expanded its trade show presence by attending World Travel Market (WTM) London and the Recreational Vehicle Industry Association’s (RVIA) California RV Show for the first time. VSC grew awareness in China and Mexico through participation in Visit California’s (VCA) international sales missions and in the UK and Ireland by renewing its partnership with Black Diamond on Travel Trade representation in the UK. The Travel Trade department also targeted meeting planners with sales missions, familiarization (FAM) tours and tradeshows in several markets.

**PARTNERSHIP WITH BLACK DIAMOND**

In their second year of partnership, Black Diamond assisted VSC in promoting SLO CAL throughout the UK and Irish markets, including promoting access to Highway 1 during the closure.

- Secured 35 appointments at World Travel Market London and IPW
- Delivered two FAM tours:
  - *Travel Weekly*, the UK’s top Travel Trade publication, resulting in four covers showcasing SLO CAL
  - Virgin Holidays, resulting in a 200%+ booking increase into SLO CAL
- Organized an exclusive VSC Sales Mission to London, Chester and Manchester

**MEETINGS & CONFERENCES**

VSC actively promoted SLO CAL as a premier meetings destination at tradeshows and through industry associations, resulting in:

- 37 Appointments
- 20 Leads
- $3M Estimated Buying Power
VSC targeted top tour operators in China, the UK and Mexico through international sales missions. These sales missions have been crucial to building SLO CAL’s brand with tour operators and developing regional itineraries. The sales missions delivered one-on-one meetings with product managers, training sales agents and building relationships that resulted in:

- 112 Appointments
- 66 Leads
- $75M Estimated Buying Power

### FAM TOURS

This year, VSC hosted Travel Trade FAMs for product managers, tour operators and travel agents from the UK, Ireland, China and Australia. These FAMs showcased the county and promoted key activities and tours routes during the closure of Highway 1. These FAMs included:

- 34 International Travel Professionals
- 15 Leads
- $17M Estimated Buying Power
**Public Relations Agencies**

Visit SLO CAL began the year with local PR company, Townsend Public Relations, covering domestic media relations and Black Diamond contracting PR for the UK and Ireland. In November 2017, VSC signed on travel and lifestyle agency, TURNER PR, to execute a strategic, integrated and results-oriented domestic earned media campaign.

Crisis Communication

In FY 2017/18, VSC remained steadfast in their support of local partners affected by the Highway 1 closure by working closely with regional tourism partners, as well as Caltrans and Visit California. VSC provided maps translated into four languages which highlighted accessible routes and encouraged visitors to continue to explore SLO CAL’s north coast.

Additionally, with the support of TURNER PR, VSC provided crisis communication updates regarding nearby fires that allowed the organization and its stakeholders to supply information effectively and in a timely manner.
SLOCAL.com

In February, Visit SLO CAL launched the all-new SLOCAL.com, offering a superior user experience and reflecting the ethos of the SLO CAL brand as VSC’s main digital marketing asset. SLOCAL.com is part of a multi-channel technology upgrade for the organization. The new software also included VSC’s first customer relationship management (CRM) system to better track sales, contacts, services and partner benefits, as well as a new extranet, the SLO CAL Connection, to streamline partner interactions, giving business marketers direct access to their SLOCAL.com profiles, sales leads, media opportunities and more. These upgrades were part of a series of efforts to add value for stakeholders by enabling straightforward communication and elevated service standards.

In addition to technological advances, SLOCAL.com was upgraded with all-new content, including fresh copy on every page, expanded sections and aerial video postcards for SLO County destinations, more dynamic blog posts and new professional photos for all hotel, motel and RV park listings. These enhancements increased website engagement and better showcased all SLO CAL has to offer.

Chasing a High-Value User

This year, Visit SLO CAL evolved their targeting strategy to emphasize conversions over traffic. VSC made optimizations with the goal of getting a progressively lower effective-cost-per-action (eCPA), where high-value activities were identified and tracked. The result was an improvement in user engagement metrics, including doubling the average session duration and improving the bounce rate by double-digits.

Target Markets

VSC’s limited advertising budget means that each dollar must be spent strategically, hitting the right people, at the right time, with the right message and only those people. VSC reduces waste by careful targeting and optimization toward three strategic personas and by narrowing the focus to six key feeder markets, chosen through research data and to support the two new direct flight markets.

SAVOR-A SAN LUIS OBISPO COUNTY EXPERIENCE

Partnering with area businesses and DMOs, Visit SLO CAL promoted the county with an immersive, interactive installation at two food and wine events: San Diego Bay Wine + Food Festival and Taste Washington in Seattle. VSC’s sponsorship included targeted marketing campaigns to past and current event attendees, including trip giveaways before, during and after the events.

INDUSTRY + STRATEGIC PARTNERSHIPS

Following the Strategic Plan imperative to “build and expand strategic partnerships,” Visit SLO CAL continued cultivating and strengthening collaboration with several national, California, regional and local organizations in marketing, economic development and tourism.

VISIT CALIFORNIA

In February 2018, VSC won its second Visit California Poppy Award. The honor of Best Digital Campaign was given in recognition of the “Life’s Too Beautiful to Rush®” campaign, which introduced the first ever countywide destination brand, SLO CAL.

VSC understands the value of the tourism funnel and having strong relationships with DMOs at the national, state and regional level. It is critical for VSC to stay top-of-mind with these organizations, and Visit California (VCA), the state’s destination marketing organization, has proven to be a key ally in accomplishing VSC’s mission. To help maintain this vital relationship, VSC President & CEO, Chuck Davison, sits on VCA’s Brand Content Committee, while VSC’s Director of Travel Trade, Michael Wambolt, is part of the International Committee.

BEST BUDDIES CHALLENGE

The event, hosted by Hearst Castle, attracted over 600 riders, including celebrities and other luminaries, providing a wealth of exposure for SLO CAL and Highway 1 via social media, obtaining 7,800 engagements and over 331,000 impressions.

CALIFORNIA DMO LEADERSHIP SUMMIT

Chuck Davison, President & CEO of Visit SLO CAL, is among 15 destination CEOs invited by VCA to participate in biannual DMO Leadership Summits where the group discusses and debates industry hot topics, such as marketing trends, government affairs, organizational governance and economic development issues.

One of the five key imperatives of the Visit SLO CAL Strategic Direction 2020 is to “advocate for the development of critical tourism infrastructure”. VSC has been working on a number of related initiatives over the past year, including continued air service development and launching the first countywide Destination Management Strategy (DMS).

**Destination Management Strategy**

In spring of 2017, work began ahead of schedule to address a key initiative in VSC’s Strategic Direction 2020. The Destination Management Strategy proactively plans for and manages to the long-term success of SLO CAL’s tourism economy. With tourism serving as the largest local economic driver outside of agriculture, there is significant interest in how a stronger and smarter tourism industry might help mitigate the impacts of the impending Diablo Canyon plant closure and other economic challenges.

As Visit SLO CAL embarks on year four of the Tourism Marketing District (TMD), new components of Strategic Direction 2020 will come online as others advance and mature. Advocating for tourism infrastructure will be a key focus for VSC in the coming year, as the Destination Management Strategy is developed and readied for implementation. Demonstrating value to local communities and building partnerships will continue to play a key role as VSC works toward year five and the renewal of the TMD. Brand clarity and unification will continue as the ambassador program, SLO CAL Storytellers, takes shape and brings local voices to the tourism brand. Through these endeavors and more, VSC will work to strengthen the tourism industry, enhance the local economy and protect the quality of life for all in San Luis Obispo County.

DESTINATION MANAGEMENT STRATEGY

In early 2019, VSC will share the final recommendations of the DMS as a community-designed strategy and action plan aimed at enhancing SLO CAL as a place to live, to work and to visit, positioning the region for success over decades to come.

ADVOCACY

Advocacy for the tourism industry and partners will be front and center for VSC in FY 2018/19. An advocacy strategy will be developed to identify, vet and support key initiatives that are positioned to streamline policies, realize efficiencies and to facilitate responsible development and the management of tourism in SLO CAL.

RENEWAL OF THE TOURISM MARKETING DISTRICT

VSC will continue efforts over the coming year to bring value to partners, especially investors from the lodging sector, and to build support for the TMD renewal in 2020. VSC will continue working to better understand the changing needs of SLO CAL business owners and managers, and to support their success through ongoing marketing, education and product development. VSC will develop a renewal plan over the coming year to ensure a successful campaign, shoring up critical funding for the advancement of tourism in SLO CAL.

SLO CAL STORYTELLERS

The local brand ambassador program, SLO CAL Storytellers, launched in June of 2018. Over the coming year, this program will bring a local angle to the SLO CAL brand voice by allowing local photographers, videographers and writers to tell their destination stories. The Storytellers will share their first-hand experiences throughout the year on both their own online channels and social media, as well as on Visit SLO CAL’s channels, as they encounter SLO CAL activities, businesses, local personalities and accommodations. Guests and locals alike can follow their adventures via the hashtag #SoSLOCAL.

METHOD AND BASIS OF LEVYING ASSESSMENT

The annual assessment rate is 1% of gross short-term (stays 30 or fewer consecutive days) room rental revenue. With the passage of the Tourism Marketing District (TMD) on June 10, 2015, implementation of the assessment began July 1, 2015, and continues for five years through June 30, 2020. The county and each city are responsible for collecting the assessment from lodging businesses within their respective jurisdictions on a monthly or quarterly basis, including any delinquencies, penalties and/or interest. Within thirty days of receipt, the county and each city then forward the assessments collected to the TMD managed by Visit SLO CAL.

PROPOSED BOUNDARY, ZONE OR CLASSIFICATION CHANGES

There are no proposed boundary, zone or classification changes for the coming year.

SLO CAL TOURISM MARKETING DISTRICT

Developed by VSC, the San Luis Obispo County TMD (SLOCTMD) is a countywide cooperative effort to collectively market all that the county has to offer for the benefit of assessed lodging businesses. The assessment district provides specific benefits to payors by funding marketing, advertising, promotions and sales efforts for assessed businesses.

The SLOCTMD provides an opportunity for lodging businesses throughout the county to collaboratively engage in marketing, advertising, sales and promotional efforts. This joint effort helps foster synergy among the county and businesses, and ensures TMD dollars are spent in the most streamlined manner possible. It aims to establish SLO CAL as a premier Central Coast tourism destination and a leader in the California tourism community.

The core focus of the SLOCTMD is twofold: to put more heads in beds and to increase the average daily rate charged for those beds.

To that end, the programs funded by the SLOCTMD have two specific goals: (1) to increase awareness of SLO CAL as an overnight destination, and (2) to increase lodging demand for the destination and lengthen visitors’ average stay (leading to boosted lodging sales and revenue).
