Applicants will be notified by the Public Works Administration Office when their request has been approved or if further information is required. A copy of the approved form will be sent to the applicant to hold in their possession during the time of the event. Inquires about the status of your request should be directed to Public Works Administration Office at 237-3861.

Block Events A block event is a temporary gathering of people held on a blockaded portion of a public street or alley in the City. If you will be utilizing City barricades, a deposit* is required. You will need to make arrangements for pick-up of barricades after the Street Closure Request has been approved.

Residential Block Events At least 75% of the households on the block being closed off must sign a Block Event Acknowledgement form for the proposed event, certifying that they are aware of the temporary closure of the street. The signatures must be originals (no copies) and the form must be attached to the Street Closure Request Form. Acknowledgment forms are available on the City's web site or from the Public Works Administration Office.

Business District Block Events/Static Displays Fill out the closure request form and file it and the deposit* at least 30 days before the event. All of the affected businesses on the block being closed off must be notified and sign a Business District Block Event Acknowledgement Form for the proposed event, certifying that they are aware of the temporary closure of the street.

Parade If you are requesting a closure to hold a parade, please show parade route, from start to finish. If you will be utilizing City barricades, a deposit* is required.

Parking If your event affects or impacts public parking, posting of 72-hour No Parking notices is required. Contact the Community Service Specialist at the Police Department for direction and coordination of signage. Posting of signs is done by the requesting party. A barricade deposit* is required for use of City barricades for parking reservation (if needed).

**A refundable deposit of \$50 is required for use of City-owned closure devices (barricades, etc.). Deposits will be released upon return of all materials, free of damage.*

Alcoholic Beverages The sale or consumption of alcoholic beverages on City property requires permits. Alcohol Use Permits are coordinated through the Facilities Coordinator at the Recreation Department. If you have questions concerning or wish to apply for alcohol permits, call the Facilities Coordinator first. The Community Service Specialist at the Police Department is also available for inquiries.
