Visit SLO CAL (VSC) is a team of destination marketing professionals who work with, and on behalf of, our community, our local partners and our investors to promote SLO CAL® (San Luis Obispo County, California) to both domestic and international visitors. As the countywide non-profit destination marketing and management organization (DMMO) for SLO CAL, VSC’s goal is to collaborate with partners to build the SLO CAL brand through a data-driven, efficient and dynamic marketing and sales program while simultaneously enhancing the resident quality of life. Built on research with a strategy of continuous improvement, VSC aims to establish SLO CAL as a favorite West Coast destination known for its signature slower pace of life and unique mix of incredible, immersive guest experiences.
Dear Visit SLO CAL Investors, Partners & Stakeholders,

With FY 2019/20 behind us, we’d like to pause and reflect on all that has been accomplished. This past year has had its share of triumphs and challenges, yet in the end we have taken significant strides to set the stage for future success in the years ahead.

With the support of our lodging investors, we successfully campaigned for the renewal of the San Luis Obispo County Tourism Marketing District. Through scores of meetings, the collection of petition signatures and a series of hearings resulting in unanimous approval from all seven city councils and the county board of supervisors, we achieved what seemed improbable five short years ago. The 1.5 percent assessment and ten-year renewal term strengthen our unified district to further increase awareness of SLO CAL® and drive visitor demand just when we need it most.

In advance of the renewal, we hired our first Chief Marketing Officer, Lisa Verbeck, with a goal of elevating our marketing strategy and delivering a more qualified customer to our region. Lisa brings a wealth of experience to our team, partnering with local destinations and our agencies to navigate the current crisis and the road ahead.

The Destination Management Strategy, now known as Experience SLO CAL 2050, was finalized, approved and prioritized by our board of directors for future work. We will continue our work in air service development, partnership with the wine industry and development of the SLO CAL Crafted® brand, while advocating for recommendations such as workforce housing and transportation. Lastly, we will look to fund new initiatives including the development of a countywide events and festivals strategy and a customer service program to help propel our industry forward.

When the outbreak of COVID-19 forced our Travel and Tourism industry to close its doors, Visit SLO CAL pivoted all efforts to focus on supporting and providing additional value for our lodging investors and partners. Like many of you, we reduced our team by 60 percent and the remaining members took temporary 20 percent salary reductions, based on diminished financial resources. We engaged Tourism Economics to develop a countywide, three-scenario, 24-month lodging forecast and worked closely with the San Luis Obispo County Regional Airport on an air service recovery strategy. We launched our data-driven community dashboards providing key data to help drive informed decisions by all of you. To show our commitment to our communities’ safety and well-being, we paused all paid advertising and shifted our messaging, focused on keeping SLO CAL top of mind for when the time is right.

With the challenges of rebounding the tourism industry ahead, strategy remains critical to our success. In May, Visit SLO CAL’s Board of Directors approved Strategic Direction 2023, the strategic plan that will serve as our new north star. Built upon the accomplishments of Strategic Direction 2020, this plan is the culmination of broad industry collaboration focused on delivering on the needs of our investors and our communities.

While much of the past year has been challenging for all, we are proud of the collective accomplishments of our industry, building a foundation for SLO CAL’s future success in 2021, and years to come!

All the best,

Chuck Davison, CDME

††Resigned May 2020
On January 14, 2020, the San Luis Obispo County Board of Supervisors unanimously approved the proposed Management District Plan set forth by the tourism industry and Visit SLO CAL to renew the Tourism Marketing District (TMD). The original five-year term of the TMD was to expire on June 30, 2020. The approved proposal increases the previous 1.0% assessment to 1.5% on short-term lodging stays throughout San Luis Obispo County and extends the district through June 30, 2030.

PROCESS

As requested by our community’s local government stakeholders, VSC contracted with Tourism Economics to perform a return on investment (ROI) study to measure the efficiency and effectiveness of the organization’s efforts. The study found that VSC produced an ROI of $44 for every dollar invested overall and an ROI of $57 for every dollar invested in new fly market advertising, providing a data-driven basis for the renewal.

INITIAL TERMS

1.0% 5 YEAR TERM $44: $1 RETURN ON INVESTMENT

RENEWAL TERMS

1.5% 10 YEAR TERM

LODGING INVESTORS REPRESENTING 73% OF LODGING REVENUE PETITIONED IN SUPPORT

APPROVED 32:0 BY CITY COUNCILS

5:0 VOTE OF CONSENT FROM THE BOARD OF SUPERVISORS

After gaining buy-in on the terms of the renewal and the Management District Plan from key investors, destination partners and the leadership of the county and all seven cities, the Visit SLO CAL team worked alongside investors to collect petitions in support of the renewal.

By the conclusion of this process, lodging investors representing more than 73 percent of countywide lodging revenue petitioned in support of the district, while lodging investors representing only 3 percent of revenue petitioned against it.
ALLOCATION OF ADDITIONAL FUNDING

During the renewal process, the lodging industry identified five key areas of priority requiring long-term, strategic investment to keep SLO CAL competitive. As the industry recovers from the COVID-19 crisis and tourism revenue grows, Visit SLO CAL plans to allocate additional TMD funding to the following key areas to support new inventory in the pipeline.

ADVERTISING & MARKETING
Increase campaign investment in feeder markets to drive demand during need times and extend length of stay through highly-targeted brand marketing and co-ops

SALES SUPPORT Grow Travel Trade initiatives to support sales efforts
INTERNATIONAL MARKETS Invest in top inbound international markets and key new growth markets once long-haul travel begins to rebound
AIR SERVICE DEVELOPMENT Restore and increase flight service with additional flights and new air service markets
EXPERIENCE SLO CAL 2050 Implement VSC-owned, tourism-related recommendations, including a customer service program and events and festivals strategy
Throughout the COVID-19 pandemic, the Visit SLO CAL team has been hard at work on behalf of our investors, partners and stakeholders, advocating for critical pieces of legislation, working with local government, building resources around messaging and safety and taking proactive steps to ensure that when we move into the recovery phase, our county will be well-positioned for success.

RESOURCES

In early April, the VSC team transitioned the weekly This Week in SLO CAL emails to bi-weekly Today in SLO CAL emails due to the ever-changing nature of the pandemic and government orders. The open rate of these emails was twice the rate of traditional communications and directed recipients to VSC’s COVID-19 industry-focused landing page. In addition, Visit SLO CAL worked with local destination partners to create Open & Safe signage and social media assets for the local industry to use when communicating to guests.

PROACTIVE EFFORTS

From the beginning of the crisis, the Visit SLO CAL team took proactive steps to reduce the remainder of the organization’s fiscal year budget by 72 percent, including the elimination of five full-time and three part-time positions and a temporary 20 percent salary reduction for remaining team members. VSC also developed conservative cash flow projections to ensure that the organization is able to launch effective marketing campaigns that will propel our county into recovery when the pandemic subsides.

The team hosted “Virtual Cheers” programs with journalists and tour operators to keep SLO CAL top of mind as visitors gradually become more comfortable with the idea of travel. Additionally, as a way to connect with partners, visitors and locals, VSC launched a SLO CAL Crafted Live series showcasing local artisan producers such as Leo Leo Gelato, Central Coast Distillery and Stepladder Ranch & Creamery.

As an added benefit to our investors and partners, Visit SLO CAL conducted a 24-month economic forecast that included specific forecasts for municipalities, along with a countywide forecast. VSC also began providing monthly economic data dashboards to enable industry professionals to project future business and make informed operating decisions.
ADVOCACY

In late March, Visit SLO CAL leadership joined a number of working groups and coalitions to advocate on behalf of our lodging investors and the broader Travel & Tourism industry.

COUNTY OF SAN LUIS OBISPO START GUIDE DEVELOPMENT TEAM
• To ensure the lodging investors, restaurants, event and activity partners were able to inform the county’s re-opening plan.

CALTRAVEL COVID-19 TASK FORCE
• To ensure our voice is being heard at the state level through the Governor’s Office of Business & Economic Development.

COUNTY OF SAN LUIS OBISPO EMERGENCY JOINT INFORMATION CENTER
• To ensure the industry receives the information and resources needed by directing tourism industry businesses to VSC’s COVID-19 landing page.

U.S. TRAVEL-LED COALITIONS
• To support the Paycheck Protection Program and business protection efforts.

SLO CAL LODGING OWNERS ROUNDTABLE with Assemblyman Jordan Cunningham
• To discuss the state response to the COVID-19 crisis.

SLO CAL LODGING OWNERS ROUNDTABLE with Emergency Services Director and County Administrative Officer, Wade Horton
• To negotiate the lodging occupancy cap and other potential restrictions.

VSC continues to work with local leaders including San Luis Obispo County Administrative Officer, Wade Horton; Lead Public Information Officer, Whitney Szentesi; Public Health Director, Dr. Penny Borenstein and others to ensure that the local tourism industry has a strong voice.
In the spring, Visit SLO CAL partnered with Coraggio Group to develop Strategic Direction 2023 (SD 2023), the strategic plan and north star by which the organization will operate over the next three years. Following the success of Strategic Direction 2020, SD 2023 was advised by 170 survey responses, one dozen investor interviews, five regional engagement sessions and four half-day work sessions that included additional opportunities for investor, partner and stakeholder feedback.

Visit SLO CAL’s Travel Trade department utilizes international representation, sales missions, familiarization tours (FAMs) and trade shows to expand reach and promote SLO CAL as a multi-night destination. In March, due to the COVID-19 crisis, international representation and meeting and conference activation was suspended indefinitely and traditional trade programs were postponed until travel resumes. However, VSC continues to build and nurture relationships with tour companies, meeting planners and others in the sales funnel to ensure SLO CAL is top of mind as the industry recovers.

**INDUSTRY TERMS**

**Familiarization (FAM) Tour:** A hosted tour of SLO CAL for Travel Trade or media representatives to experience and learn about the destination firsthand

**Sales Mission:** A series of sales meetings in one of VSC’s target markets with travel agencies, tour operators and/or meeting planners to pitch and educate them on the destination and its offerings

**Lead:** A connection or opportunity provided to local investors and partners to book business, promote their company or host travel buyers and meeting planners to experience their product
In FY 2019/20 Visit SLO CAL worked hand in hand with Visit California, local destination marketing organizations and local business partners to engage with members of the press through in-market meetings, press events, proactive pitching and FAM tours. VSC partnered with TURNER PR domestically and Black Diamond in the UK and Ireland to increase SLO CAL’s share of voice, generating almost $1.6 million in earned media value. From March onward, earned media efforts pivoted to domestic and reactive pitching only due to the COVID-19 crisis. During that time, VSC was able to leverage virtual and future-focused story angles to secure earned media articles.

Through a dynamic content strategy, VSC delivered timely messaging on SLOCAL.com and distributed that messaging across all owned channels for a stronger ROI. As the COVID-19 pandemic began to disrupt the industry in March, VSC shifted its messaging to keep the destination top-of-mind, encouraging them to dream of future leisure travel to SLO CAL.

Visit SLO CAL worked closely with Miles Partnership to guide and execute the VSC paid advertising strategy. Using data-driven optimizations, the campaign was delivered to three target personas across seven media markets, including Las Vegas and San Diego, which introduced new direct flight service. According to Arrivalist, FY 2019/20 paid media resulted in a 74.3 percent lift in arrivals and a 15 percent lift in length of stay compared to the control group that was not exposed to the campaign.

In March, VSC immediately paused all paid media, adapting quickly to the changing travel environment in light of the pandemic.

In recent years, Visit SLO CAL has invested in key data points for its investors, partners and stakeholders, sharing data from STR, VisaVue Travel and Tourism Economics, as well as sharing countywide TOT information. In FY 2019/20, Visit SLO CAL partnered with Tourism Economics to aggregate all of that data into Tableau dashboards, providing easy-to-understand visualizations and comparisons, and summarizing the key insights from the collective data in shareable reports.

As previously noted, upon the request of our local government stakeholders leading into the renewal process, VSC invested in a return on investment (ROI) study to demonstrate the efficiency and effectiveness of the organization. The study found that VSC influenced $44 in visitor spending for every dollar invested.

With the uncertainty surrounding the COVID-19 pandemic, VSC commissioned Tourism Economics to produce a lodging forecast that provides month-by-month projections through June 2022, broken down by Occupancy, ADR (average daily rate), RevPAR (revenue per available room) and lodging taxes. In addition to the overall countywide report, VSC commissioned individual forecast projections for communities that report into STR, including Atascadero, Cambria, Morro Bay, Paso Robles, Pismo Beach and San Luis Obispo, as part of a co-op with these communities.

Visit SLO CAL measures tracked arrivals through the Arrivalist A2 Attribution and A3 Visitation platforms. Arrivalist A3 offers insights on arrivals into San Luis Obispo County and key points of interest (POIs), arrival windows, arrival origins, cross-visitation, length of stay and campaign lift as a result of our paid media and organic traffic.

Visit SLO CAL engaged in several events and activations throughout FY 2019/20, including a Google My Business co-op in September and SAVOR - A San Luis Obispo County Experience activation in November. VSC and Surfers of Tomorrow partnered to rebrand the Pismo Beach Open to the SLO CAL Open at Pismo Beach (January 30-February 2) and brought a brand-new surf competition to Morro Bay, the SLO CAL Open at Morro Bay (February 27-March 1). Additionally, VSC worked to bring the world-renowned Spartan Race to SLO CAL in March, but the race was postponed due to the COVID-19 pandemic. VSC leveraged those partnerships to engage new domestic and international consumers who align with VSC target personas, expanding the awareness and reach of the SLO CAL brand in ways that Visit SLO CAL could not achieve alone.

The Visit SLO CAL Board of Directors is deeply invested in industry advocacy and as such, adopted a formal Public Policy Platform and advocacy strategy in 2019. VSC’s advocacy efforts are focused on ease of travel and ensuring a strong Travel and Tourism industry. VSC partners with elected officials and their staff at all levels and is actively involved with CalTravel and U.S. Travel Association.

Industry Advisory Group
The VSC team regularly hosted Industry Advisory Group meetings with Congressman Salud Carbajal and Assemblyman Jordan Cunningham, along with a group of lodging property owners from across the county to ensure elected officials know the ways in which they can support our county’s second largest industry.

Partnership with CalTravel
VSC actively partners with CalTravel on statewide advocacy efforts. In FY 2019/20, Chuck Davison, VSC President & CEO, served as the Treasurer on the CalTravel Executive Committee and Derek Kirk, VSC Director of Community Engagement & Advocacy, served on the Government Relations Committee. Additionally, the team played an active role in the appointment of Toni LeGras to the CalTravel Board, making her the first vacation rental representative in the state to hold that position.

Individual Meetings with Elected Officials
The VSC team works throughout the year to engage elected officials on the issues impacting our industry. Last year in particular, the VSC team met with each of the members of the board of supervisors and over 18 city council members regarding the renewal of the TMD. In addition, Chuck Davison, VSC President & CEO, met with Congressman Salud Carbajal in his D.C. office to discuss federal policy issues.
In FY 2019/20, Visit SLO CAL engaged investors, partners and stakeholders through promotion, education and collaboration, using the SLO CAL Connection and e-blasts to share the most recent tourism research, media and sales leads, and other valuable opportunities.

**Tourism Ecosystem**

As Destination Marketing and Management Organizations, it is imperative that all parts of the funnel lift each other up for the success of our communities and tourism businesses. To that end, Visit SLO CAL partners with organizations in all parts of the tourism ecosystem, with the intention of driving greater awareness of SLO CAL as a destination and benefiting our industry partners.

**Industry Educational Symposium**

As a way to provide our partners with the most up-to-date information on research and trends, Visit SLO CAL hosted a half-day Industry Educational Symposium in October, bringing some of tourism’s top leaders to discuss topics that are important to the industry.

**Virtual Town Hall**

In June, Visit SLO CAL hosted its first ever Virtual Town Hall as a way to connect with investors, stakeholders and partners during the pandemic in order to provide an update on the current state of tourism in SLO CAL as well as a look at future marketing and advocacy efforts.

**Destination Postcards**

As part of a pilot program in early 2020, VSC worked closely with industry partners across SLO CAL to create a number of consumer postcards representing communities throughout the county, giving lodging investors the opportunity to provide the postcards to their guests at no charge.
After 18 months of development, the Visit SLO CAL Board of Directors adopted the final Destination Management Strategy, approved a Work Plan including implementation steps, branded the document as Experience SLO CAL 2050 and formally prioritized and budgeted for the work to begin in FY 2020/21. The strategy is a 30-year plan for the destination to 1) enhance resident quality of life and 2) create a better visitor experience.

A PHASED APPROACH

The return to leisure travel will not occur overnight, so Visit SLO CAL will take a phased approach in advertising and sales efforts, monitoring various macro and micro signals in order to determine when it is appropriate to transition into the next wave of recovery.

With a campaign investment similar to last year’s, we will prioritize targeting high-value travelers, as they are more likely to resume travel sooner, stay longer and spend more money while in SLO CAL. The creative will reflect a house of brands approach to ensure that we honor the experiences of our individual destinations while amplifying the Visit SLO CAL brand. Co-op campaigns with Visit California, the SLO County Regional Airport and destination partners will ensure media spend is leveraged to obtain strong value for money, as well as high reach and frequency.

From a communications standpoint, VSC will lean in to the road trip and California Less Traveled messaging in order to grow SLO CAL’s share of voice among regional and national media, and stand out from competitors.

A SHIFTING SALES STRATEGY

With the COVID-19 pandemic disrupting the sales funnel, VSC will be shifting its short-term strategy to a more in-state, drive market approach, while assuring the region remains top-of-mind with both the meeting and conference and international trade segments. We will reactivate large-scale programs for international Tour and Travel and Meeting and Conference sales when the time is right.

EXPERIENCE SLO CAL 2050

While some of the 28 recommendations coming out of Experience SLO CAL 2050 focus on VSC’s existing scope of work and advocacy efforts, VSC will also be funding new initiatives, including the development of a countywide events and festivals strategy and a customer service program to help drive the growth of the tourism industry, as prioritized by the VSC Board of Directors.

**METHOD & BASIS OF LEVYING ASSESSMENT**

The annual assessment rate is 1% of gross short-term (stays 30 or fewer consecutive days) room rental revenue. With the passage of the Tourism Marketing District (TMD) on June 10, 2015, implementation of the assessment began July 1, 2015, and continued for five years through June 30, 2020. With the renewal of the TMD by the Board of Supervisors on January 14, 2020, the annual assessment rate increased to 1.5% beginning July 1, 2020 and will continue for ten years through June 30, 2030. The county and each city are responsible for collecting the assessment from lodging businesses within their respective jurisdictions on a monthly or quarterly basis, including any delinquencies, penalties and/or interest. Within 30 days of receipt, the county and each city then forward the assessments collected to the TMD managed by Visit SLO CAL.
