The Sognefjord area offers a great adventure around every bend. Our hotels are close to the action with hiking trails in their backyard and fjord activities on their doorstep.

Step right into the action with Fjord kayaking, RIB safari, amazing hiking and biking or river rafting.

For a soothing experience, choose a fjord cruise, the Flåm railway, breathtaking waterfalls or glacier hiking. The choice is yours.

The Sognefjord destination offers classic fjord experiences, tailored to each rich season, from warm summer lushness to crisp winter air.

In autumn the air is crystal clear and our hillsides erupt into a magnificent display of colour.

Powder coated alpine peaks and alpine touring adventures await you in winter and a rich blossoming spring starts the year all over again.
