5-COURSE CHEF'S TASTING MENU

\$53/PERSON

ADD A WINE PAIRING FOR \$30/PERSON

This five-course tasting experience will showcase seasonally-inspired selections and may include more unique proteins such as wild boar and sweetbreads.

For this hyper-seasonal menu be sure to communicate any allergies or dietary restrictions prior to your visit as we will have a rotating menu from night to night.

Please note that all guests must participate in the chef's tasting.

What is a tasting menu?

A tasting menu, or degustation menu, consists of several bite-sized dishes that are served to guests as a single meal. They were inspired by the French term degustation, which is defined as the careful tasting of various foods with a focus on the senses and culinary art.

Roselily currently offers a seven-course chef's tasting on our everyday menu and we want to give an opportunity to anyone who hasn't experienced a chef's tasting to do so in a more affordable way. Chef's tastings are great if you consider yourself to have an adventurous palate and a desire to experience new flavors.
