## 5-COURSE CHEF'S TASTING MENU

**\$55/PERSON**

**ADD A WINE PAIRING FOR \$35/PERSON**

This five-course tasting experience will showcase seasonally inspired selections and may include more unique proteins such as foie gras, monkfish, and wild boar. For this hyper-seasonal menu be sure to communicate any allergies or dietary restrictions prior to your visit, as we will have a rotating menu from night to night.

Please note that all guests must participate in the chef's tasting.

### What is a tasting menu?

A tasting menu, or degustation menu, consists of several smaller-sized dishes that are served to guests as a single meal. They were inspired by the French term degustation, which is defined as the careful tasting of various foods with a focus on the senses and culinary art.

Roselily currently offers an eight-course chef's tasting on our everyday menu and we want to give an opportunity to anyone who hasn't experienced a chef's tasting to do so in a more affordable way. Chef's tastings are great if you consider yourself to have an adventurous palate and a desire to experience new flavors.
