“The experience we had with Southern Bleacher Co. was one of the best I have ever had building a new facility. The crew worked, rain or shine, for 25 straight days to complete our football stadium bleachers which almost doubled our original seating capacity! They were professional, safe and efficient in every way. Our community has never been more proud of a Pittsburg ISD facility. Thank you!!”

**-Brad Baca
Athletic Director/Head Football Coach
Pittsburg ISD, Pittsburg, Texas**
