To Whom It May Concern:

We would like to take this opportunity to let you know how pleased we are with our bleachers and stadium chairs furnished by your company. After a slow start with the shop drawings and our dimensions in the field, we are pleased with the finished project. We would also like to take this opportunity to thank Omar Alonzo and his crew for their professionalism during the installation process. His attention to details and aggressiveness to get the project completed on time was a real plus. Please let Omar and his crew know how pleased we are with the project.

Thanks,

Mark Mincher
