ABOUT MY SANDCASTLE ARTWORK

Andy Hancock is an award-winning artist that has worked all over the world on "Larger than life" art. His Iconic pieces can be seen all over the Island and you will find him on the beach most days teaching people the art and science of building Sandcastles.

Andy's wood sculpture uses recycled native Texas hardwoods such as Mesquite, Ebony and Oak to create unique pieces by commission and has a gallery space at Longboard Bar and Grill. Find him at www.sandcastlelessons.com
