ARTIST PROFILE

Christina Salazar

ABOUT THE ARTIST

Christina Salazar was born and raised in Port Isabel, TX. Salazar began to take an interest in the arts at the young age of 4. She began painting in 2004 and went on to pursue a Studio Art degree at the University of Texas Brownsville, and the Glassell School of Art Houston. She went on to win "Best of Show" at the University of Texas Brownsville 2006 student juried Art show, as well as placing internationally at the Brownsville Museum of Fine Arts 2006 International Art Show. Christina has since been featured in several magazines articles, television shows, exhibitions, donated Art to several charities, fundraisers, murals and produced public Art in her community as well as reside on several boards for the Art community. Christina's bold and colorful patterns are her signature. Using an array of mediums, chalk pastel, painting, spray paint, mixed media, drawing, etc. Christina is also one of three official Muralist for Sea Turtle, Inc.

ABOUT MY SEA TURTLE ARTWORK

Zentangle is a new way of drawing patterns that relax and challenge the eye. The colors are inspired by the ocean and the base incorporates barnacles. I enjoy taking an everyday object of nature and redesigning it.
