## ***South Padre Island To Close Out Summer with Spectacular Labor Day Fireworks***

**SOUTH PADRE ISLAND, Texas, August 22, 2024** – Get ready for a dazzling display of lights, color, and excitement as South Padre Island lights up the sky with a festive firework show celebrating the Labor Day holiday. The spectacular showcase will kick off at 9:15 p.m. on Sunday, September 1, and take center stage over the Laguna Madre Bay.

“The Labor Day Fireworks Display is a highlight of our summer season here on South Padre Island,” said Blake Henry, Visit South Padre Island Executive Director. “It’s a perfect way for families and friends to come together and celebrate the end of summer in style. We invite everyone to join us for what promises to be a spectacular evening.”

The annual Labor Day Fireworks will be visible from various entertainment venues along the bay in the Entertainment District, and attendees are encouraged to arrive early to secure the best viewing spots. Spectators can enjoy the show from “The Green” at Jim’s Pier, charming waterfront restaurants, or from the comfort of their boats, providing ample opportunities for families, friends, and visitors to gather and celebrate the long weekend together. The Labor Day Fireworks Display is free and open to the public.

In addition to the fireworks, South Padre Island offers visitors a wide array of activities throughout the holiday weekend, including water sports, live music, and local dining experiences. Whether you’re looking to relax on the beach or dive into the action, South Padre Island has something for everyone.
