***South Padre Island Wraps Up 2022 With Dazzling New Year's Eve
Fireworks***

SOUTH PADRE ISLAND, Texas, December 28, 2022 – The City of South Padre Island is excited to ring in the New Year the only way that “The Fireworks Capital of Texas” knows how - by lighting up the sky with a spectacular firework display over the bay on December 31, 2022.

“What better place to ring in the New Year than on the sparkling shores of South Padre Island! Bring the whole family, your friends, and maybe that special person you hope to start the new year with. We’ve got plenty to see and do to end this New Year with a bang,” said Blake Henry, South Padre Island CVB Executive Director.

The fireworks will kick off at 9 p.m. and launch over the bay in South Padre Island’s vibrant Entertainment District. For a front-row show, visitors can grab a seat on “The Green” or at one of the bayside restaurants and enjoy delicious food and refreshing drinks while taking in the light display. Plus, with the night still young, there is plenty of fun to be had at local spots as several island partners host celebratory events to usher in the coming year. Whether you’re an area local or just passing through, South Padre Island makes for the perfect place to say goodbye to 2022 and hello to 2023 - it’s pretty hard to wake up on the wrong side of the bed when the bed is overlooking the magnificent Gulf of Mexico waters.
