# A CHRISTMAS STORY™

**Comes Home**

**Nov. 7, 2015 - Jan. 3, 2016**

### About the Exhibit

Step into the holiday movie classic, "A Christmas Story." View animated displays showcasing six scenes from the movie, originally featured in the windows of Macy's in New York City.

**Live Theatre** Who will ever forget Hammond native Jean Shepherd's charming film about Ralphie's quest for the Red Ryder BB gun that long ago Christmas? The department store slide with Santa, the leg lamp, the turkey stealing dogs, the easily thwarted bullies, and the poor kid whose tongue gets frozen to a flagpole - all those scenes will come alive in one of Theatre at the Center's most popular shows.
