Whether you're a saint or just a little devil, you'll enjoy dining at **Teibel's**, "A Taste of Tradition". Famous for fried chicken and yellow lake perch, generations have made Teibel's a local favorite.

Take time to pay respect to those who should never be forgotten in the land of the free and home of the brave: the men and women who fought for our country. **Community Veterans Memorial** commemorates every US conflict of the 20th century. The unique landscaping stretches across nine acres and resembles the geography of each war: World Wars I and II, Korea, Vietnam and Desert Storm.
