### **Overview of the LEGENDS Project**

Northwest Indiana has been a home or a template, laboratory and/or workshop for individuals who have demonstrated one or more of the four “pillars” of courage or creativity, innovation or exploration contributing to the greater good of the community. By their actions, here or elsewhere, they have had a substantial impact with lasting implications. These individuals were “trailblazers” and are “exemplars” of others in Northwest Indiana whose contributions have made the world a better place, and their record of personal conduct serves as an example to others. Their accomplishments still resonate in and beyond the region and have earned them the designation as “South Shore LEGENDS.” Their accomplishments and photographs are displayed in a kiosk at the Indiana Welcome Center in Hammond and on the South Shore Legends site at [www.southshorecva.com/legends](http://www.southshorecva.com/legends).

*South Shore Legends continued*

Multiple individuals (teams / groups) who contributed to an accomplishment may be considered as one LEGEND, or multiple individuals who are represented by a category could be honored together, but they should be identified separately in your nomination form.

If you have any questions, please feel free to contact Stephanie Smith at 219-301-7765 or via email at [stephanie@southshorecva.com](mailto:stephanie@southshorecva.com).
