715 Weekend Guide

We asked our followers on Instagram & Facebook what to include on the ultimate weekend in the area and here are the top picks.

DAY 1 Head to **Sunset Point Winery**. Sip and swing in the winery, or grab a bottle to go, (paired with some take-out) for a picture-perfect Wisconsin River picnic. After dinner, stroll the Riverfront Trail segment of the **Green Circle** or venture a bit further on the Rocky Run Spillway or the West Side Loop. For dessert – hit up **Belt's Soft Serve** for a flurry or a scoop from **King Cone** or **Heavens to Betsy**.

DAY 2 Start your day at **Wisconsin's oldest farmers market**. Then, stroll through more one-of-a-kind shops for cool finds from home décor to locally crafted items (including edible goods!), with stops at **Agora, Real Deals, Assembly, and Fall Line** to start.

After checking out at the shops, grab a late brunch at **Ruby Café, Flemings or Father Fats**. Once you're satisfied, venture to the **Stevens Point Brewery** and get a behind the scenes look at how it's done. Sample from their beer, cider, and soda, steeped in history as one of the oldest breweries in the nation.

For the afternoon, it's time to float. Pick your perfect vessel, from kayak to pontoon (with local rentals available), and make a splash. If you're up

for a paddle and feeling adventurous, check out the **Stevens Point Area Paddling Guide**, by **MilesPaddled.com**. If you're on a boat, don't overlook the sandbars made for an impromptu picnic, along the Stevens Point Flowage.

When the dinner bell rings, start with cheese curds – this is Wisconsin, after all. If you prefer them fresh, don't skip **Feltz Dairy**, where you can find fresh (or fried) curds made on site.

End the evening with the perfect craft cocktail, with a stop at a classic Wisconsin supper club, or head straight to the source with newly imagined **Great Northern Distilling** (opening soon!).

DAY 3 Start the day with a hike through one of the lesser-known hiking areas, like Steinhagen, or stick with a classic from **Schmeeckle to The Mead Wildlife Area**. Then, challenge a friend to a round of disc golf at **Standing Rocks Park**. After you've built up an appetite, head out for one of Wisconsin's best bloody mary's, at **Rusty's Backwater Saloon**. ▴

Test Your Knowledge of

The world's largest trivia contest, hosted each spring by the UW–Stevens Point's own radio station – WWSP 90FM, calls the region home. The event is 54-hours of trivia, with hundreds of teams competing each year.

1 Name the brewery that boasts the **1,000-foot solar array**, as part of the Central Wisconsin Craft Collective.

2 Supper Clubs are a Wisconsin staple, from old fashioned to fish fries. Tell us the supper club that was home to the **first-ever refrigerated salad bar**?

3 What **one-of-a-kind adventure contest**, homegrown in the Stevens Point Area, is hosted on the backwaters of the Wisconsin River each year?

4 Name the **world's largest craft catalog manufacturer**, that has its headquarters (and craft outlet) in the region.

5 Where are the headquarters for local coffee makers that were named by Food & Wine as the **best coffee in Wisconsin**?

6 Agriculture is big business in the Stevens Point Area. Name the **four vegetable crops** that **Portage County ranks first in production** for in Wisconsin.

7 Name **one of America's oldest continuously operating breweries**, that provided beer to Civil War soldiers and survived prohibition.

Think you have what it takes to tackle the world's largest trivia contest? Flex your knowledge of the region, or simply make a guess, and play along with us below. Stumped? **Answers are below** – but no cheating. **Good luck trivia players – bragging rights await!**

1. **Central Waters Brewing Company**, in Amherst, is known for their sustainability practices – including their 1,000 foot solar array. The brewery even donates proceeds from the sale of its beer 'Shine On' to the Midwest Renewable Energy Association to support the nation's longest running Energy Fair.

2. The first-ever refrigerated salad bar made its debut in the 1950s at the **Sky Club Supper Club**, still in operation today in Plover. Head in for a classic old fashioned or grab a bottle of their own mix (named after their long-time bartender's recipe known as Shift's) to make at home.

3. **Paddlequest** has been around since 2002, when it was created by Point native Matt Kirsch. This paddling-based adventure offers fun for all skill levels and ages, held each summer on Wisconsin River. It's even been featured in Rolling Stone.

4. **Herrschers** may have started as a street vendor in Chicago selling sewing notions by a young German immigrant, but the company has been headquartered in Stevens Point since 1970. Today you can browse their retail store to spark your creativity.

5. You'll find the headquarters for Ruby Coffee in **Nelsonville, Wisconsin** – population 125. This haven for coffee has been the heartbeat of the company, which launched in 2013 – and expanded to a Stevens Point café in 2019.

6. Portage County ranks first in production of **potatoes, processed snap beans, sweet corn, and peas**, and leads the state for market value of agricultural crops sold. Located in the heart of the Central Sands region of Wisconsin, high value vegetable crops dominate the landscape. Here you'll find more than 27,000 acres of potatoes planted each year. Not all potatoes are destined to be chips, fries or mashed – many local potatoes can be found in cocktails, made into potato vodka from Great Northern Distilling.

7. It's because of businesses like the **Stevens Point Brewery** who has been brewing continuously here since 1857, that Wisconsin and Beer are synonymous. In fact, they were brewing beer before Stevens Point became a city. Today, you can blend history and local flavor with a tour & a taste.

CAMPUS SPOTS Worth a Visit

Think the University of Wisconsin–Stevens Point is only for students to explore? Think again. Here are six local favorite spots on campus worth a visit.

Everyone is welcome to explore the **Edna Carlsten Art Gallery**, housed on the second level of the **Noel Fine Arts Center**. The gallery regularly exhibits work by noted regional, national, and international artists and designers. Open throughout the year, when school is in session, the gallery displays a wide variety of mediums as well as several permanent collections.

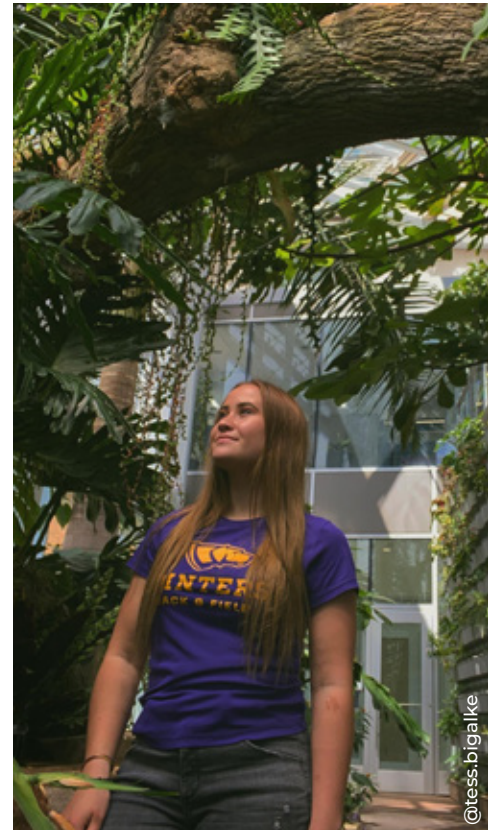

For a glimpse above, check out the programs offered at the **Allen F. Blocher Planetarium** and **Arthur J. Pejsa Observatory**. On clear nights throughout the year, the observatory offers a unique close-up view of the night sky. Regardless of weather and atmospheric conditions, the Planetarium offers a better understanding of our universe, in addition to their annual Laser Light Shows, set to music.

Explore the natural world around us by visiting the **Museum of Natural History**, housed in the **Albertson Learning Resource Center** on campus. This family-friendly spot offers self-guided tours and events – and even an augmented reality sandbox to bring landscapes to life. Don't miss the different exhibits including the dinosaur collection and the large dioramas.

Visiting campus can work up an appetite, perfect for a stop at this hidden spot. The **CPS Café** can be found in the College of Professional Studies building and is staffed primarily by Dietetic students. The menu features healthy options, with food sourced from local farms, open Monday–Friday while school is in session.

If you venture in the Chemistry–Biology building on campus, you may not realize this massive 170,000 square foot building has a green roof. But visitors can check out the **Tropical Conservatory** on the first floor, with a variety of biomes, water feature and a green wall. The most impressive part? The windows, fans and shades are controlled automatically, based on temperature settings.

You don't have to be a student to enjoy the **Basement Brewhaus**, located in the **Dreyfus University Center**. The Brewhaus doubles as both a coffee shop and bar – offering an array of coffee drinks, beers, and wines. It's a great spot to kick back and relax after exploring the campus. ▴

What's New **IN THE 715**

2022 will see some new developments and additions to the Stevens Point Area.

It should be no surprise in a community known for collaboration, that **Central City Market**, a cooperative of local makers, is taking shape. The project is growing out of an 1800's era historical building as a space for local food businesses to thrive. Can't wait until it fully opens? Head to **Heavens to Betsy Ice Cream**, which is open now.

After sitting vacant for more than 30 years, the Fox Theater has a new lease on life. Originally commissioned in 1893 by G.F. Andrae, the **Opera House** will bring the space back to life, reimagining it as a biergarten and event space.

Lake Pacawa Park, which serves as a community hub in Plover, is undergoing a transformation – including the area's first splash pad, ADA beach improvements, interpretative walking trails, pavilion and more. The revitalized space will take centerstage during Celebrate Plover 2022, when it is slated to reopen to the public.

Craft-made spirits are on the move, with **Great Northern Distilling** relocating to downtown Stevens Point in 2022. The new facility should be open to the public mid-year and in addition to producing award-winning spirits will include a 29-seat tasting room bar, dog-friendly outdoor patio, and a private event space.

SentryWorld Golf Course, one of the top 100 public golf courses in the nation, will reopen to the public, on June 1, 2022. Major

renovations to the property have been made, from new tee boxes, narrower fairways and the addition of a 64-room boutique hotel, in preparation for hosting the 2023 USGA U.S. Senior Open.

After taking a pause during the pandemic, the nation's longest-running renewable energy event of its kind is returning!

The Energy Fair, slated for June 24-26, brings over 11,500 attendees together to learn about clean energy and sustainability. The full weekend includes workshops, family-friendly events, live music, keynotes, food trucks, solar-brewed beer, and more.

Lake Pacawa Park, which serves as a community hub in Plover, is undergoing a transformation – including the area's first splash pad, ADA beach improvements, interpretative walking trails,

pavilion and more. The revitalized space will take centerstage during Celebrate Plover 2022, when it is slated to reopen to the public.

Think 26 murals aren't quite enough? Neither does **CREATE portage county**, who plans to add a few more public art pieces to the mix in 2022, to expand on their #PainttheCounty initiative. Head out to find these insta-worthy spots, and don't miss the Point Sculpture by local artist family, the Kochanowski's.

A new camping experience is available for tent campers and RVer's, with the opening of **Springhetti Acres** near Rosholt. The campground will welcome campers for its first full season in 2022 and offers 156-acres with hiking and four-wheeling trails. ▲

Kids Guide to the **GREEN CIRCLE TRAIL**

FOR THE YOUNGER CROWD: Explore a blend of the Green Circle Trail's Brickyard Trail segment and the Stevens Point Sculpture Park. The trails combine to make a perfect loop – no road crossing necessary. Plan to explore the sculptures and art along the trail and don't be afraid to touch and interact with the pieces. Spin DeeDee Morrison's 'Landscape with Perspective' and amplify your voice in the 'Acoustic Woodland Locator'. Learn more about the Brickyard Trail's history at the trail kiosk, where the Zenoff Park parking lot and the trail meet. (Tip: In the winter, this is a perfect route for snowshoeing. In the summer, don't forget bug spray!)

TRAIL DETAILS: Brickyard Trail

SURFACE: Crushed granite and sidewalks

MILEAGE: 1.0 (for the loop including the Sculpture Park main trail and Brickyard Trail)

FOR THE OLDER CROWD (10+): Head out for a scenic route along the Plover River Trail segment of the Green Circle Trail. This is one of the longest segments of the trail. In the winter (when conditions exist) the trail is groomed for both diagonal and skate cross country skiing. In the spring, winter and fall, the route is perfect for exploring the outdoors as it meanders along the peaceful Plover River. The river is a popular kayaking and canoeing route. Watch for animal tracks and birds along the route, throughout the year. (Tip: Geocache for a fun scavenger hunt! Many are hidden along the route.)

TRAIL DETAILS: Plover River Trail

SURFACE: Crushed granite

MILEAGE: 3.6 (7.2 for the entire trail)

Have All Day & **FEELING ADVENTUROUS?**

Spend the whole day exploring the Green Circle Trail. We recommend starting at the **Schmeeckle Reserve Visitor Center** with free parking, information, souvenirs, and exhibits. Heading east takes you to the Moses Creek section with the longest boardwalk on the trail, along the Plover River, and to **Iverson Park**. Heading west takes you to the Brickyard section, the **Stevens Point Sculpture Park**, and to parks along the Wisconsin River. Numerous parks along the way are perfect places to stop for breaks – fill up your water, use the restroom, have a picnic, and play. ▶

HOP On Your Bike

Love biking and beer? Then you'll want to check out the hop-fueled rides in the Stevens Point Area, where we pair breweries and trails.

ROUTE 1

Head to Plover to start this flavor-packed route – complete with time on the Tomorrow River State Trail. Covering more than 15 miles one way, you'll start at the new location for O'so, before venturing on the crushed limestone trail to Central Waters.

TOTAL DISTANCE: 15.1 MI

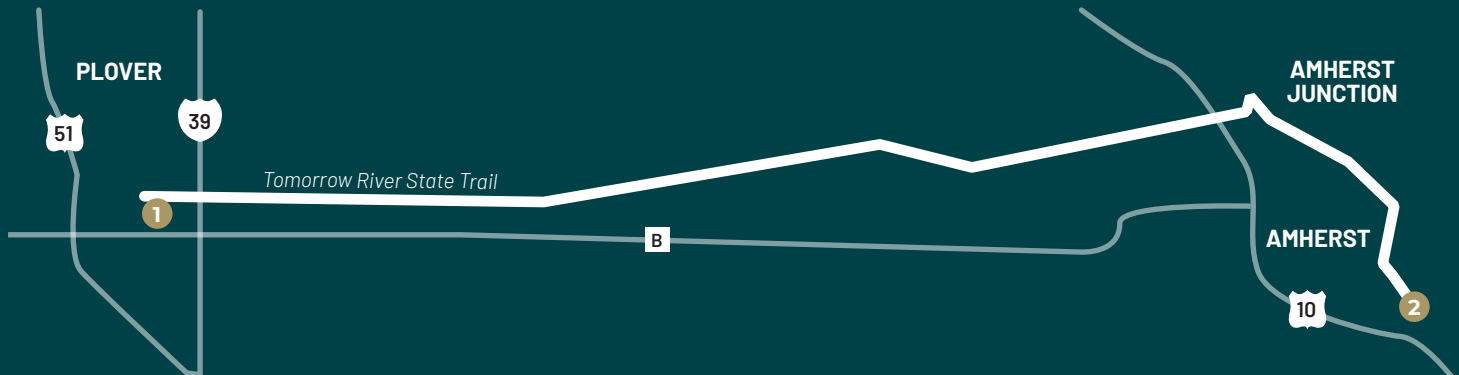

TOMORROW RIVER STATE TRAIL:

Before you begin, purchase a trail pass. They are available at the trailhead, or online through Portage County Parks.

- 1 O'so Brewing Co.**
1800 Plover Rd, Plover
MUST TRY: Infectious Groove or a Beer Slushie
- 2 Central Waters Brewing Co.**
351 Allen St, Amherst
MUST TRY: Crew Drive or Shine On

OPTIONAL STOP:

Up for a bigger challenge? Venture north and head to **McZ's Brew Pub** through the glaciated hilly terrain of eastern Portage County. Kick back and refuel on the patio with their delicious pizza.

ROUTE 2

Most of this beer-lovers route is on the popular Green Circle Trail. Start on the north side, with a visit to District 1 with beer hall vibes before continuing to the Point Brewery where they've been brewing since 1857.

TOTAL DISTANCE: 7.3 MI

GREEN CIRCLE TRAIL:

While there is a more direct path between these two beer spots, you won't regret exploring the scenic route – including a mural under the Highway HH bridge.

1 District 1 Brewing Co.
200 Division St N,
Stevens Point
MUST TRY: Pedal On or the
Wonderful Water Seltzer

2 Stevens Point Brewery
2617 Water St,
Stevens Point
MUST TRY: Lake Side
Vacation Ale or Drop
Dead Blonde

OPTIONAL STOP:

Like wine, too? Don't miss a stop at **Sunset Point Winery**, just a short ride off of the Green Circle Trail's River-front Trail segment. Swing in the hammock chairs, grab a tasting flight, or a wine slushie (seasonally).

SAFETY FIRST!

Know your limits and the laws before you hit the road to keep it fun and play it safe. Wear a helmet, drink plenty of water, and avoid beers with a high ABV. Or better yet, pack a cooler and grab some tasty options to enjoy after the ride. ▴

Gaining Traction & BUILDING TRAIL

How an experimental bike trail set off a chain of events in the Stevens Point Area.

On any given day you'll find cars decked out with bike racks parked along a wooded skyline at Standing Rocks Park. The park, Portage County's largest, is known for outdoor fun, all year long. One activity (spoiler alert: biking) has been growing in popularity, due in part to the work of the Point Area Single Track Association (PASTA), Friends of Standing Rocks, and Portage County Parks.

Scott Cole, avid rider and founding member of PASTA knows the importance of doing things right. In 2004, the park saw an experimental single track trail set in motion. What followed was the development of a 14-mile technical mountain bike trail, the first in the area.

The new trail set off a chain of events, changing the experiment into a movement. The changes

are visible in improvements throughout the park beyond biking including; snow-making equipment, the Behnke Olson Outdoor Recreation Center, and a lighted loop for cross-country skiing. The addition of beginner flow trails and advanced trails with fun features, which began in 2019, quadrupled ridership in just over a year.

Today, thanks to the work of volunteers, fundraising and a partnership with the parks department, the trail work is poised to continue.

With abundant riding options across Wisconsin, Cole had plenty of thoughts about why Standing Rocks should be on every rider's must list. To him, it all comes down to variety. New machine-built trails add berms, jumps, and rollers. These trails offer accessibility to beginners but are still fun for advanced riders.

"The riding is challenging and fun, and available all year long"

"Add in the elevation changes, beautiful, wooded views, and the combination of old school narrow legacy trails with wide and smooth flow trails – it is a perfect mix," said Cole.

The fun doesn't stop when the snow starts. In the winter, fat tire biking opens up a completely new ride experience with groomed trails. "The riding is challenging and fun, and available all year long," said Cole.

When daylight hours are at a premium, the lighted ski trails help to partially illuminate the fat tire bike trails. "Fat tire biking is allowed at night, and helmet and handlebar lights are required for safely navigating the trails," said Cole. ▲

SUNSET LAKE PARK On a hot summer day, Sunset Lake Park is the perfect spot for swimming in Portage County. This 63-acre lake is incredibly clear and clean, and the large beach is perfect for picnics and building sandcastles.

LAKE EMILY PARK Walk down the grassy rolling trail or flight of stairs to access the rocky shoreline of this popular 96-acre lake. The beautiful, clear water is perfect for swimming as well as fishing.

JORDAN PARK This beach is a perfect spot for a day trip. Picnic, explore the Nature Center, and hit the trails in the county park which also offers camping. Better yet – make a weekend of it, and reserve one of the water sites.

COPPS POOL If you prefer swimming with lifeguards and temperature controlled water, don't skip the Copps Pool. Here you can ride the 162-foot slide, jump off the diving boards, or play in the zero depth wading pool – perfect for young children.

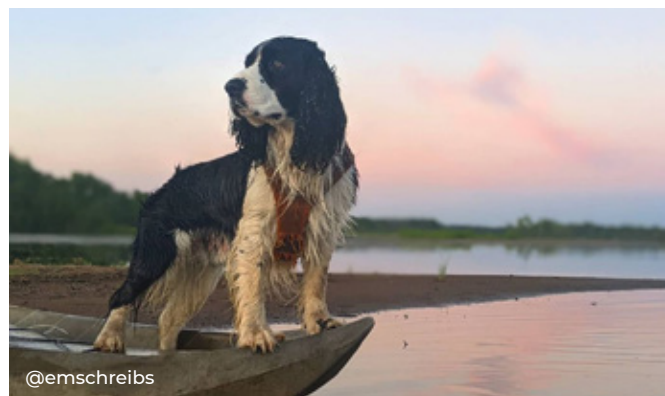

INSIDER TIP: Be sure to check the pool's hours ahead of time, as the swimming season is short.

BUKOLT PARK Swim in the Wisconsin River from Bukolt Park. Tucked along the shore (and the Green Circle Trail), you'll find the WPA-era stone bathhouse in front of stone steps and sand leading down to the swimming area.

INSIDER TIP: Take a walk along one of the new fishing piers installed in the nearby lagoons.

IVERSON PARK Don't miss this gem, tucked in Stevens Point's oldest park. The beach, worth the walk from the parking area, is perfect for families with young children with shallow water perfect for exploring.

INSIDER TIP: The clear, cola colored water of the Plover River gets its hue from tree roots it runs over.

PADDLE GUIDE: Tomorrow River

by Timothy Bauer of *MilesPaddled.com*

This trip explores the Tomorrow River, an endearingly narrow, intimate stream with crystal clear water, nice current, and a couple of boulders to dodge and a sense of quiet solitude. The Tomorrow is a must-paddle tucked away in the gentle hills of central Wisconsin.

SKILL LEVEL: Intermediate

CLASS DIFFICULTY: Quiet-water with riffles and some Class I rapids

GRADIENT: 2.7' per mile

TIME OF YEAR TO PADDLE:

Water levels are usually reliable from County Q to Downtown Amherst, but can run low from Amherst to Cobbtown Road. Paddlers should be cautious of strong currents and high water levels after rainstorms.

PUT-IN & TAKE-OUT: County Q in Nelsonville/ Downtown Amherst, Buchholz Rd., County DD, or Cobbtown Rd.

TIME NEEDED: 3-6 hours

MILES PADDLED: 4-16 miles

WILDLIFE: Great blue herons, sandhill cranes, songbirds, dragonflies, trout, deer, beavers, mink, and muskrats.

TRIP DESCRIPTION: The most popular starting point to begin a trip on the Tomorrow-Waupaca is along the banks of the beautiful Rising Star mill in Nelsonville, where art exhibits and bluegrass concerts are held. Start here, and you'll be greeted with views of cedar-lined woods and meadows as the segment meanders. Four miles downstream in the Village of Amherst, be sure to follow Portage signs to avoid dam.

Once you reach Amherst, stop for a stroll and lunch in its charming downtown or venture to the popular Central Waters Brewing Company. Continue on the Tomorrow River, suggested take-outs are at Highway T or Highway DD. Please note: during high water, submerged logs, downed trees, and swirling water can cause problems and should require skilled navigation. During low water, rocks and shallows will be present and can hang up a

boat. In addition, paddlers should be on the look-out for occasional barbed and electrical wires around Highway T and Highway DD.

ALTERNATIVE TRIPS: Paddlers have two options to extend the trip noted above and begin upstream to make a longer outing on the water: at Highway 161 (aka Loberg Road) or County Highway Q (aka Rolling Hills Road). If you prefer to avoid the mile paddle on the flat calm waters of the Mill Pond (above the dam in Amherst), it can be avoided by taking out at Cate Park.

Arguably, the best section of the river is upstream of the Amherst dam – from County Q to Cate Park, for a 5.5-mile trip that showcases its best features with the fewest nuisances. It makes for a delightful time outdoors that's neither

too short nor too taxing. That said, the section of river with the most stunning boulders and lovely rolling hills is in between Buchholz Road and County DD. Watch for 1-2' ledges below the bridges at Keener Road and County DD.

NOT A PADDLER? OPT FOR A TUBE! The Tomorrow River is also perfect for a gentle tube ride. The best tubing routes skip the pond. Put in at Otto Road and takeout at County Rd DD for a memorable ride. ▴

@rubyroasters

WINTER

ONE HOUR: Visit the **Iverson Winter Sports Area** (complete with warming house and hot cocoa), to skate the lighted rink, snowshoe along the Plover River, or hit the family-friendly sledding hills. More skating rinks can be found throughout the area (weather permitting), including the newest rink in downtown Stevens Point. Beginners can check out **K.B. Willet Ice Arena** with open skating times (and rentals).

ONE DAY: Head out to Standing Rocks County Park

for snowshoeing, fat tire biking, sledding, or cross-country skiing this season. Start in the newly opened Behnke Olson Outdoor Recreation Center, where you can rent gear to cross-country ski before hitting the trails. Don't miss the new lighted cross-country skiing loop. Call 715-346-1433 for conditions.

WINTER BONUS: Gain some speed on some (or all!) of the 300 miles of groomed snowmobile trails in the Stevens Point Area. Trail Conditions: 715-343-6277

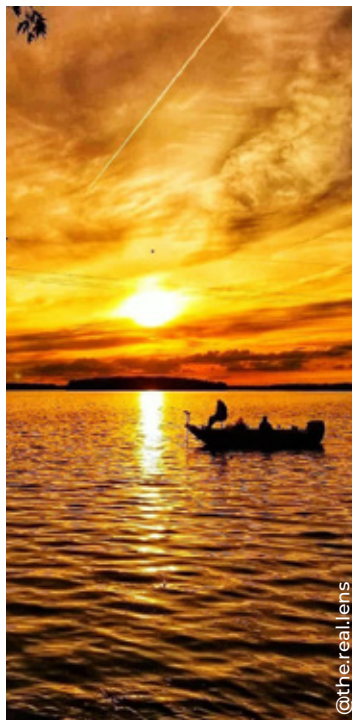

@danielkruzitski

SPRING

ONE HOUR: Arm yourself with a local birding guide and a pair of binoculars before heading over to **Godfrey & Maybelle Erickson Natural Area**. The 5.5-acre park is known for birding with more than 170 species documented. Explore the half-mile trail, which is part of the larger Green Circle Birding Trail.

ONE DAY: Make a day of it!

Plan a picnic before you head for the water, complete with a hike. Spend the day exploring **Mead Park**, home to **K.A.S.H. Playground**, perfect for families to explore. Then, head north to hike the **Rocky Run Spillway** which runs along the Wisconsin River.

@the.rea.l.ens

SUMMER

ONE HOUR: Cast a line in the **Wisconsin River**, from the expansive **Lake DuBay** to the backwaters and sloughs where you'll find muskies, channel catfish, northern pike and panfish. No Boat? No problem. Shoreline fishing is abundant. Start with Jordan Pond or Lake Joanis. Handicap accessible piers are available at Bukolt Park, Lake Emily, Stevens Point Flowage (off of Highway HH West), and the River In-Between Flowage (off of West River Drive).

ONE DAY: Load up the bike and hit the trail in the 33,000 acre **George Mead Wildlife Area**. The Mead Wildlife Area, one of the largest state wildlife areas, offers over 80 miles of trails to explore. For more adventure, and a bit more of a challenge, head to **Standing Rocks County Park**, for the beginner to expert mountain biking trails.

@achapa.89

FALL

ONE HOUR: Get in the saddle and try horseback riding in central Wisconsin. Trail rides are spectacular on the 90-acre **Wild West Campground & Corral**, tucked in eastern Portage County.

ONE DAY: Enjoy some fall color and hit the road. Many of the rural areas in Portage County offer spectacular viewing of the fall colors. To experience the best that the area has to offer, try a car tour of northern Portage County. Don't miss more fall fun, including pumpkin patches, corn mazes and fresh cheese curds, with a stop at **Feltz's Dairy Store** or **Mullins Cheese**. 🍂

Reclaimed & REPURPOSED

*Reimagining
a space for
community +
collaboration
in Plover.*

**WHAT WOULD YOU DO WITH
ALMOST 100,000 SQUARE
FEET?**

In central Wisconsin, this hypothetical question became reality where a former Shopko sat lifeless. What came next has been a work in progress, reimagining the building to blend businesses and service for the community.

Local developers saw an opportunity. Together they worked to determine the future of the otherwise abandoned spot, by using the bones to redefine the massive footprint, announcing plans for their vision in 2019 – dubbed **Artist & Fare**. After countless hours of work the vision

became reality opening to the public in phases beginning in 2021.

Today, stepping into the main doors of Artist & Fare you'll be greeted by the large space, the smell of fresh coffee and a massive mural of one of the first businesses to move in – **O'so Brewing Company**.

O'so Brewing, which was founded in 2007, has experienced dramatic growth over the years – including being named one of the fastest growing breweries in Wisconsin. To better meet demand, they needed more room to brew. The move to Artist & Fare meant the ability to triple their space. Inside,

you'll find an impressive collection of beer memorabilia, home brewing supplies (for wine & beer) with Point Brew Supply, tap room, and plenty of space to spread out – including a second level balcony seating area with views of the entire brewery.

What to watch for in 2022? The addition to food on-site with a kitchen planned. Order up some lunch – then grab a fresh beer right off the canning line – with the proceeds going to the charity of the month.

Mission Coffee House has become a staple in Plover since opening in 2015, serving up

YOU'LL ALSO FIND:

- Avant Hair Lounge
- Anytime Fitness

COMING in 2022

Warm up your arm because **Section 715 Throwing Co.** is aiming to join the space with plenty of room for fun.

A new local restaurant - think gastro pub meets upscale - is planned to open in the space from the team behind **Mikey's** and **a-soshel**.

Seasonal events, markets and community-focused experiences utilizing the expansive spaces are in the works.

Beyond 2022, plans include an indoor and outdoor courtyard.

coffeehouse favorites including their own roasts of fair-trade coffee. But coffee is only one part of the equation for Mission, with their focus tied to community and connection.

Moving to be a part of **Artist & Fare** offered new opportunity to expand their footprint and space to do just that. Inside, apart from the large menu (including Affogato), you'll see their windows of opportunities and pop-up shops featuring other local makers. ▲

How to Shop the FARMERS MARKET

Looking for a local take on the best way to explore the oldest farmers market in Wisconsin? Here are our key tips to get the most out of every visit.

BYOB: Bring your own bag to bring home all of the goodies you love. Better yet, pack a cooler bag to keep your farmers market finds comfortable (and cool) if you decide to continue exploring.

PREVIEW, THEN BUY: Walk through the market to scope out the goods available (and in season), before settling on the vendor you'd like to buy from.

SEEK OUT INSPIRATION: Head to the market for events like **Chef on the Square**, to snag a taste and take home the recipe using goods from the market.

PLAN YOUR VISIT: Check out the guide to in-season produce in the **Central Rivers Farmshed Farm Fresh Atlas**, to get the most out of your time.

WHERE TO FIND IT: During the traditional growing season, you'll find farmers on the **Square** (in downtown Stevens Point) six days a week May through October. From November to April, farmers move to the **Winter Farmers Market at the Berard Center**.

DID YOU KNOW? The historic **Mathias Mitchell Public Square** in downtown Stevens Point is home to the longest running farmers market in the State of Wisconsin. The two square-block at the end of Main St. has been the focal point for farmers selling their wares since 1847. ▲

STRAIGHT FROM the Source

Throughout the Stevens Point Area, you'll find places where you can taste, learn, and see for yourself why Agritourism is so noteworthy in central Wisconsin.

ADELANTE FARM MARKET KITCHEN

Get your farm-to-table fix at Adelante, a local food marketplace that is a part coffee roastery and part community gathering space through Liberation Farmers. Adelante offers up special events, including wood-fired pizza on Friday nights from 4-7 pm, and Taco Tuesdays featuring tacos, tamales, and pozole. Make sure to check out their Facebook Page for updates regarding their special events.

ROCK RIDGE VINEYARD

Venture into a vineyard and be a part of the winemaking experience! Go behind the scenes at Rock Ridge Vineyard - and help harvest grapes in the early fall - for this one-of-a-kind experience in the Stevens Point Area. This agritourism experience puts you in the fields where wine begins its journey at Rock Ridge Vineyard. Typically harvest begins in late August through September.

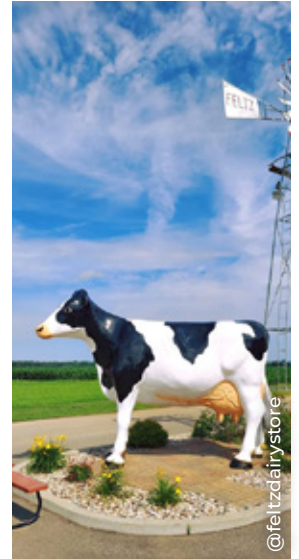

SOPA FAIRVIEW FARM

Nothing says summer more than a field of gorgeous sunflowers. In the Stevens Point Area, explore the expansive field of flowers at Sopa Fairview Farm, typically planted on Old Amish Road, where the public is welcome to meander through the field and take pictures. While it varies, peak blooms are usually ready in late July and early August. Don't forget to bring cash to purchase their sunflower oil!

LONELY OAKS FARM

For more local finds, head straight to the source for brunch on the farm at Lonely Oak Farms. The farm offers brunch every Sunday, from Mother's Day through Halloween. The best part? After brunch, head out and explore the expansive 33,000 acres at the state's largest Wildlife Area - the George W. Mead - which neighbors Lonely Oak Farms.

FELTZ FAMILY FARM & DAIRY STORE

See a state-of-the-art robotic dairy operation in action, at Feltz Family Farms & Dairy Store. Get behind the scenes with a tour, or through their large viewing window in-store. Have kids with you? Don't miss the cow-themed merry-go-round inside, life-size milking cow, and small petting zoo. In the fall, they host two corn mazes (3-acre or 12-acre) and of course, no stop is complete without fresh curds (made from their cow's milk) and a scoop of Feltz Cow Pie ice cream. ▲

HUNGRY FOR MORE LOCAL FOOD?
STEVENSPOINTAREA.COM/RESTAURANTS

Quench your hunger
(& thirst) with our
guide to the best
spots for breakfast,
lunch, dinner and
in-between!

Morning to Night: **FOOD GUIDE**

BREAKFAST Start your day at the **Wooden Chair**, a staple in the region. While their menu is stacked with sweet to savory, try the hard to pronounce (but delicious!) Brotomushepperasheese omelet. Or, opt for a short stack – with the Vegan Banana Pancakes from **Wicked Willow** or the sweet and salty Pecan Pancakes from the **Rock-n-Roll Café**. Other popular breakfast spots include **Franny's** and **Olympia**. Must have coffee? Grab a cup at **Mission Coffeehouse**, **Emy J's**, **Coffee Studio**, **Zest** and **Ruby**.

LOOKING FOR A LATER START?

While **Ruby Cafe** is known for their flavorful & colorful coffee, including their popular maple latte, don't overlook their crepes. Pick between the Nutella-Banana Crepes and the Crepes Benedict for a sweet or savory option. At **Mikey's** along with classics like avocado toast – plus a kid's menu – you'll find a Blueberry Pancake Old Fashioned and the delicious Donut Fried Chicken Sandwich. For more, you can't go wrong with chicken and waffles at **Father Fats**, with a mimosa – or head to brunch on the farm, at **Lonely Oak Farms**, held on Sundays from Mother's Day to Halloween.

LUNCH Get ready for a picture-perfect cheese pull at **Arbuckles** for their Italian Fries – a Stevens Point Area staple or grab lunch with a view, at **PJ's**, just steps from the SentryWorld Golf course. Grab a cozy booth with a throwback vibe at **Flemings**. This 50s inspired diner serves up comfort food from chips & onion dip to a loaded grilled cheese to pair with a malt. Or, go spicy with lunch at one of these local favorites; **El Mezcal**, **Tulum**, and **El Molcajete**.

UNEXPECTED FINDS

Dig into a comforting bowl of Pho at **Mama Mai's** or **Point Market & Vietnamese Restaurant** (and don't skip the Home mural by Midwest artist Xee Reiter).

While cheese curds will always have our heart, amp up your appetizers at **Wissota** with their adventurous options from bone marrow or the smoky bacon slab.

In the mood for Italian? Check out the **Violet Basil** (one of the newest restaurants in the region) for classic Neapolitan pizza, or the prosciutto and burrata board.

Take your tastebuds on a trip with Korean cuisine at **Dosirak**, with staples from Bimbob to Dak-Gangjung.

CHEF'S CHOICE

Christian Czerwonka

Father Fats, Chef's Kitchen, Chef C's Munchie Mobile

*"A few of my favorite restaurants locally include **Mi Pueblo** and **Matsu Ya**. At **Mi Pueblo**, I get the traditional street tacos, with the carnitas and al pastor being on the top of my list. **Matsu Ya** is my go-to snack spot where I normally order their monthly special or Pandora's Box with lobster and scallops for a bougie treat."*

Sarah Jo More

Main Grain Bakery

*"You can't go wrong with the classic manhattan (up, with a cherry) & french fries at **Michele's** loungy supper club right on Division St. Warm, dimly lit, and cozy - the perfect spot after a walk through **Stevens Point Sculpture Park** with the pups!"*

DINNER If you're in the mood for a traditional Wisconsin Supper Club check out the **Sky Club**. Known as the home to the first refrigerated salad bar in the United States, this classic spot has been family owned since the 1930's. For more supper club experiences, head to **Two Lakes Supper Club** or **Michele's**. The Wisconsin Fish Fry scene in the Stevens Point Area serves up some stiff competition - with fiercely loyal fans. Break away from the traditional, with a twist on the classics with **Point After Pub's** fish Reuben, cajun catfish at **Hiawatha**, or the smelt fries at **Rusty's Backwater** (with their infamous Bloody Mary on the side). Can't wait until Friday? Check out **Ambrosia's** and **Hilltop** who serve it up daily.

DINNER & DRINKS?

If you're looking for a great cocktail, grab a seat at the bar of **Great Northern Distilling's** new mixology bar (coming soon!), **Chef's Kitchen**, or **Muse**. Order a pint to fit your palate at **Guu's on Main**, **Mikey's** or **Rookies** all with a penchant for local craft brews and impressive selections. Or, go straight to the source of local beer, wine and spirit makers of the Central Wisconsin Craft Collective - drinking fireside at the barrel-aging giant **Central Waters**, sipping wine in hammock chairs at **Sunset Point Winery**, or grabbing a beer straight from the canning line at **O'so**. 🍷

HAVE A SWEET TOOTH?

Don't be afraid to start with dessert. Order delicious pie at **Cozy Kitchen** or the **Polonia Café** or dig into the chocolate salted caramel parfait at **Father Fats**. Or, grab baked goods to go from one of the area's bakeries, **Main Grain**, **Earthcrust** (tucked in the Stevens Point Area Co-op), **Village Hive** or **Zest**.

Ice Cream CRAWL

The Stevens Point Area has no shortage of establishments for ice cream, proven time and time again by visitors, locals, and national awards. Head out to try each location and flavor!

HARD SERVE

Emy J's: Enjoy the taste of Madison, Wisconsin's Chocolate Shoppe Ice Cream right in the heart of Stevens Point!

MUST-TRY: Did you know that Blue Moon ice cream is unique to the Upper Midwest? Try this hard-to-describe yet delicious flavor at Emy J's today!

Heavens to Betsy: Try a sundae, ice cream cone, or a malt that features premium Gilles frozen custard at the small, family-owned ice cream parlor.

MUST-TRY: Partnering with Tapped maple syrup, they offer a special Tapped maple syrup sundae infused with cinnamon or espresso maple syrup!

King Cone: The only locally made ice cream can be found at King Cone. With more than 100 flavors, you can choose from 48 that rotate in the case. **MUST-TRY:** Sit alongside experts and enjoy the flavor named best in the World at the 2018 World Dairy Expo, the Salty Caramel Truffle!

Feltz Dairy Store: Ice cream is only one of the delicious options you'll find at this farm-based store. In addition to cheese, meat, and milk, you'll find 16 flavors of King Cone Ice Cream. **MUST-TRY:** Try the exclusive flavor made by King Cone for Feltz- the Cow Pie! This vanilla-based ice cream is packed with fudge, caramel, and pecans.

SOFT SERVE

Belts': This hometown favorite attracts college students, visitors, and Stevens Point Area natives for a very sweet reason: the huge portions and low prices! There is a definite reason people camp out in the frigid Wisconsin March weather for their favorite treat. **MUST-TRY:** Try the Trilogy flurry, which has all three of Belt's homemade desserts of brownie, cookie dough, and peanut butter cup mixed in and piled on top!

Carl D's: This Stevens Point soft-serve establishment opened its doors in 2015, offering everything from sundaes, floats, malts, cones, and flurries to Wisconsin chili and popcorn. **MUST-TRY:** Support UWSP with the Pointer flurry, made with homemade brownie and juicy cherry! ▲

Al Fresco EATS

What makes a great meal even better? Dining al fresco! Here are some top picks for outdoor dining in the Stevens Point Area.

WATERFRONT VIEWS

Enjoy the Northwoods (minus the drive) at **Anchor Bay Bar and Grill** where their sandy outdoor deck will give you great views of the Wisconsin River. Further up the river, hop right off the boat to grab a bite at **Bahamas**, with a large dock and patio umbrellas. Then, keep heading north to find **Bullheads Bar and Grill**. You don't have to be camping at the adjoining **Rivers Edge** to park your boat (or car) and grab a table overlooking the water. On Lake DuBay, you'll find a perfect beach view at **Tiki Beach Bar and Grill**! Kick back on the sandy beach, before grabbing a drink and a meal.

PERFECT PATIOS

Find a cozy spot on **Father Fats** back patio, sitting under the frame of a greenhouse. In season, vegetables grown there are harvested and used. Mix great craft beer and outdoor seating with a stop at **Guu's On Main**, with a fun patio tucked behind the building. Or, head straight to the source with a visit to Amherst to visit **Central Waters**. Grab a pint (and food truck finds, in season) to enjoy with countryside views, where picnic tables, fire pits, lights, and beer barrels offer a cozy spot. For more, don't skip the patio at **Amber Grill**, with an outdoor bar and lots of seating. You can't beat the view from **PJ's** patio complete with firepits and golf course views.

More outdoor seating is available throughout the Stevens Point Area! For patio sips, don't miss **O'so Brewing Company**, **Emy J's**, or **Mission Coffee House**. Or, for food and drinks combined try **McZ's Brew Pub**, **Mikey's Bar and Grill**, **Arbuckles**, **Hilltop**, **Buffalo Wild Wings**, or **Muse**. ▴

COZY STAYS & Waterfront Views

From secluded rustic retreats to charming homes with modern comforts, we've got you covered for your next home away from home.

IF YOU'RE LOOKING FOR ALL THE MODERN COMFORTS: Start with the **Claflin House**. This charming short-term vacation rental was originally built in 1875 and is filled with charm, local art and top-notch amenities. Just a few blocks from downtown Stevens Point it comfortably accommodates 8, with four bedrooms, and 5 and a half baths and is pet friendly. Or, check out the **Tomorrow River Homestead** in Nelsonville, where the Tomorrow River (a class A trout stream) winds, and the beautiful Nelsonville Sanctuary is within walking distance. Inside the cozy and light-filled space, you'll find five private rooms, a large kitchen, three and a half bathrooms & two living rooms.

FOR A QUIET COUNTRY GETAWAY: Check out the **Artha Sustainable Living Center** on 55 beautiful acres. Here you'll

find a serene retreat, including a yoga studio, where you can relax in a renovated farmhouse. In the summer, you'll find an organic garden, and all year-round renewable energy systems powering the location. Looking for another secluded spot? Explore the one-of-a-kind **Amherst Riverdance Cabin** on the shores of the Tomorrow River. This cabin is all about the details, including the hand-designed mosaic bathroom floor and tree staircase with the railings made with retired snowshoes. While it feels tucked away, it is the perfect spot to venture out to paddle the river, bike the Tomorrow River State Trail, or visit Central Waters Brewing Company.

PREFER A WATERFRONT VIEW? Start with the **Water Dragon Inn**, a stone cottage along the shores of the McDill Pond. This posh setting

offers room for up to 8 with three bedrooms (+ en suites), plus plenty of cozy extras from fireplaces to a sun porch. Part of the Destination Wellness brand, it's connected to the area's full-service Wellness Spa, with Stay & Spa package options.

IF YOU'RE LOOKING FOR CAMPSITES WITH A VIEW: You'll find waterfront sites available at **Lake Emily County Park, Jordan County Park** and **DuBay County Park**. You'll be closest to the water at DuBay County Park, with sites 5-13 and sites 32-36, which are just up the shore from the swimming beach and picnic area. At Jordan County Park there are three walk-in sites that are worth the extra effort for the sound of water peacefully lapping the shore - and perfect for paddlers. Along the shores of the 96-acre Lake Emily, you'll want to scope

out water views on sites 52-64. Beyond the lake, you'll also have easy access to the Tomorrow River State Trail.

DON'T HAVE CAMPING GEAR? Don't overlook campgrounds like **Rivers Edge** and **Lake DuBay Shores** that offer cabin rentals with waterfront views. At **Oasis** and **Vista Royale Campgrounds** you'll find additional cabins for rent, and while they don't offer direct waterfront views there are plenty of other amenities for a perfect stay. ▴

FAIRWAY Views

A unique getaway and golf experience in the Stevens Point Area

Just steps from the 18th fairway on the championship-level SentryWorld golf course lies the newest hotel in the Stevens Point Area. The property, known as The Inn at SentryWorld is much more than a place to stay.

Filled with Wisconsin charm and Midwest hospitality the boutique hotel will welcome guests home with stunning views, comfortable spaces, and a long list of amenities. While golf may be a primary part of the stay for guests, the on-site Outfitters will help plan the perfect off-site Wisconsin adventures from biking the Green Circle Trail to fishing the Wisconsin River, in addition to winter recreation options.

For relaxing and enjoying the view, head to the Living Room with its beautiful two-way fireplace or the screened-in Back Porch just steps from the outdoor stone fire pit. Got an appetite? Swing by the Library Café or order room service featuring house-baked items, specialty coffee,

and grab-and-go items. More dining is available on property, including PJ's and Muse. For guests traveling with kids, there are plenty of activities available to keep them happy with the on-site Kids Club filled with games from pinball to more contemporary options.

Throughout the property, guests can expect to find a warm mix of stone and timbers that showcase the character of Wisconsin and bring the beauty of the outdoors inside. On the golf course, a new all-inclusive experience will debut in 2022. Golfers will be able to enjoy two new on-course refreshment stations complete with locally curated options with food, beverages and gratuities included. Stay and play packages are available.

The Inn, and adjoining campus, are also well-suited to host picturesque corporate retreats or events—from intimate get-togethers in our Gathering Rooms to large receptions, weddings, tradeshow, and even concerts in the Fieldhouse. ▴
