Mobility Guardian
Air Mobility Command
Fairchild Air Force Base, WA

On behalf of our Visit Spokane Team and regional partners, it gives me great pleasure to welcome you to our beautiful Lilac City. We are proud of your service and honored to support you and the important mission of the 2019 Mobility Guardian.

During your time here, I hope you will have an opportunity to explore and experience all that this region has to offer. "Creative by Nature" describes the regional beauty and splendor for which Spokane is well known - a place where city life mingles brilliantly with nature, inspired restaurateurs create adventures in taste, the arts district entertains, and boutiques fill the carefully preserved historic buildings. Amid the charm and bustle of urban Spokane, you'll find the Spokane River gorge and the inspiring Spokane Falls. Check out the great hiking trails and other fun things to do on our website at www.visitspokane.com.

Again, welcome and best wishes for a successful Mobility Guardian event. We are eager to share Spokane's warm hospitality during your stay.

All the best,
