## Call (970) 879-3717 for General Information as well as Lost and Found information.

Found items of value will be taken to the Steamboat Springs Police Department. All other items may be claimed at the Transit Operations Center located at 1463 13<sup>th</sup> St. Items must be claimed within two weeks.

Steamboat Springs Transit is not responsible for lost, stolen, damaged or improperly stowed property.

For your safety, Steamboat Springs Transit buses are only permitted to stop at designated stops along the route.

### Mobility devices, bicycles and other items:

**Float the 'boat and ride the bus:** Tubes and passengers must be clean and dry before boarding the bus. Passengers with tubes may be asked to exit the bus or deflate their tubes if it limits the passenger capacity of the bus. Tubes, or other floatation devices, cannot block the aisles or exits.

Each bus has a bicycle rack with space for 3 bikes. If the rack is full, please wait for the next bus. Small or odd sized bicycles and bicycles with oversize "fat" tires that do not fit in the bicycle rack are not allowed. Self balancing "hoverboards" are not allowed on the bus.

Groceries and/or luggage cannot be excessive and cannot block aisles. The driver will make the determination if the amount is excessive. As the bus approaches, make sure that you have your items ready to expedite the boarding process.

Children must be removed from strollers while riding. Strollers should be folded up.

All buses have wheelchair lifts, Steamboat Springs Transit policy requires that all mobility devices are secured in designated areas facing forward.

Service animals are welcome, as defined within Federal Transit Administration guidelines. Pets can only be boarded if they are in an airline style pet carrier.

### The Following activities are not allowed on Steamboat Springs Transit buses:

1. Physically or verbally threatening any person, fighting, annoying others through noisy or boisterous activities, unnecessary staring or stalking, having distracting or disruptive odor, or in any other way creating a disturbance which is disruptive or dangerous to others or the business activities of Steamboat Springs Transit.

*Ride the Free Bus!*

## How to use the bus and this schedule

Use this schedule to select the route you need. There are several routes serving the Steamboat Springs area. Colors denote which buses serve what areas. Locate on the map where you are and where you want to go and select the route or routes that will serve you best. Note that a few of the areas are served by two routes. Read across from the stop listed to determine the first bus, last bus and all the times that a bus will arrive at your stop.

Check the destination sign on the front and /or side of the bus. It will tell you which line the bus serves and where it is going. Drivers will call out all stops. When you hear your destination, pull the cord over the window to signal the driver. Please remain seated until the bus comes to a complete stop. Exit out the rear doors whenever possible. Buses stop at designated stops only. If you need to transfer to another route, let the driver know as soon as you have boarded so that they can arrange the transfer.

Times in this brochure are shown for only a few major stops. Find the nearest listed bus stop to determine the pick up time. If you are unsure where the nearest stop is, call (970) 879-3717 and we will be happy to assist you. All stop times can be obtained by using a smart phone and visiting [www.RouteShout.com](http://www.RouteShout.com) or [www.steamboatsprings.net](http://www.steamboatsprings.net) and clicking on the "Web Portal" link on the "Transit" tab.

The Red Line, from downtown, turns into the Green Line at the Gondola Transit Center. No transfer is needed. When the Green Line returns to the GTC from the Condo loop, it turns back into the Red Line. Again, no transfer is needed.

Steamboat Springs Transit will operate additional service for the Memorial Day Tribute, the Marathon, Art in the Park, The Balloon Rodeo, 4<sup>th</sup> of July Celebration, Wild West Air Fest and other Special Events.
