

# STEAMBOAT SPRINGS CHAMBER

## Street Banner Guidelines

For banners scheduled to hang October 1, 2018 or after: **there will be a \$100 per two-week time frame put in place.** Payment information will be taken at the time of the banner time-slot request and the payment will be processed after the banners go up. Additionally, there will be a storage fee of \$50 per week after your banner comes down. Banners will be stored free for the first week. Please make sure to pick up your banner ASAP, to avoid storage fees.

- \_\_\_\_\_ All street banners are put up and taken down on Monday mornings with the exception of Holidays and weather permitting.
- \_\_\_\_\_ You must drop off your banner at the City Streets Dept. office at 850 Critter Ct. and is located off 13th Street by 3 p.m. the Thursday before your banner is scheduled to go up.
- \_\_\_\_\_ After taken-down, your banner will be at the Streets Dept. (City Shop) for you to pick up. The Streets Dept. is not responsible for banners and is unable to store banners; you **MUST** pick them up in a timely manner.
- \_\_\_\_\_ Banners left at the Streets Department longer than one week of being taken down will be charged a storage fee of \$50 per week
- \_\_\_\_\_ If your banner is damaged and has to be taken down, you will have the opportunity to repair it. It may not be put up again unless it is on a two-week schedule or is re-scheduled for another time.
- \_\_\_\_\_ Street banner placement is on a first come, first serve basis and fills quickly, so please plan ahead.
- \_\_\_\_\_ The City Streets Dept. reserves the right to refuse hanging the banner if it does not meet the "Banner Specifications stated below.
- \_\_\_\_\_ Street banners may be placed for a maximum of two weeks unless authorized by the Chamber.
- \_\_\_\_\_ Street banners must adhere to all messaging guidelines set forth by the Colorado Department of Transportation (see guidelines on page 2)
- \_\_\_\_\_ There will be no refunds for banners that are removed early due to damage

### **Banner Specifications:**

- ✓ 3' height and 20' width
- ✓ Recommended 18 oz. minimum weight polyester reinforced vinyl fabric intended for double-sided use
- ✓ Four, 8" x 4" high semi-circular vents per every 2' of banner length (to avoid tearing)
- ✓ Reinforced corners to prevent damage
- ✓ ½ inch grommets must be placed in all four corners of the banner and at a minimum of 18" to 30" inches apart throughout the entire outer edge of the banner.
- ✓ Be sure that the company making your banner knows your deadline. Please contact the Chamber for a listing of Chamber members that produce street banners.
- ✓ The City of Steamboat Springs and the Steamboat Springs Chamber Resort Association are not responsible for any damage to banners or any misplaced banners.
- ✓ Following these banner specifications is very important. A poor-quality banner can't advertise your event properly if it needs to be taken down for repair. A higher quality banner will last a number of years whereas a lower quality one won't last two weeks hung across Lincoln Ave.

## Street Banner Content Guidelines

**We are unable to hang any banners that do not comply with all regulations set forth by CDOT.** The Steamboat Springs Chamber Resort Association has been designated to enforce content including corporate advertising or logo placement as mandated by the Colorado Department of Transportation. Please direct any content related questions to the Special Events Department of the Chamber. The only acceptable logos are ones that are created for the specific event you are promoting on the banner.

The appropriate message should include the name of the event, the date and the location of the event and a phone number. If you have any questions about the content or message of your banner, please contact the Chamber. We request that **all** banners are proofed by the Chamber for acceptable content. Please send a picture or proof of the banner with the banner request. If a banner has unacceptable content it will be taken down and not re-hung until it complies with these guidelines.

CDOT requests that the City of Steamboat Springs fully complies with all the rules and regulations of the Colorado Department of Transportation (CDOT) as it applies to street banners.

### **CDOT uses the following criteria in permitting a banner within the State right-of-way:**

“Appropriate Message “ – The banner message shall be limited to the name and date(s) of the event, and/or related information.”

The following content is acceptable for a street banner:

1. The name of the event: i.e. Pro Bull Riding
2. The date of the event: i.e. Sunday, September 7, 2018
3. An event specific logo such as the “Balloon logo” used to designate the Hot Air Balloon Rodeo or generic clip art.
4. Phone Number

Here are some examples of acceptable street banner content:

Steamboat Marathon, Half Marathon, 10K  
Sunday, June 1, 2020  
Steamboat Marathon Logo  
Please call 970-875-7000 for more information

Hot Air Balloon Rodeo  
July 12-13, 2020  
Balloons, Art in the Park, Rodeo (written along the bottom)  
Generic hot air balloon clip art on one side  
Please call 970-875-7000 for more information

### **NOT ACCEPTABLE**

John’s Jeep Dealership Downhill Race  
[www.johns.com](http://www.johns.com)  
John’s Dealership logo

### **Acceptable:**

Downhill Race or Emerald Mountain Downhill Race (event name)

Banners with any **Business/Sponsor/Organization logos, business or organization names, or websites (exceptions are steamboatchamber.com or steamboatsummer.com)** will not be hung.

### **Corporate, sponsor and non-profit logos or written text are not allowed to be displayed on any street banners.**

The only exception has been made by CDOT and includes any logo that designates the City of Steamboat Springs including the City ‘spur’ logo, the Steamboat in the Summertime and the Steamboat ‘flag’ logo (without the Ski & Resort Corporation along the bottom), all of which the City accepts to represent the City of Steamboat Springs.

**All** banners need to be proofed by the Community Development Department at the Steamboat Springs Chamber. Any questions regarding content should be directed to the Chamber. If a banner has been hung and the content has been deemed unacceptable, the banner will be taken down and not re-hung until the banner complies with these guidelines. If a

banner has been taken down for content, there will be no special arrangements made to have it re-hung that week.

Based on these guidelines, it is clear that these banners are designed to inform the public of an event. If a banner cannot meet the specific 'appropriate message' it is not appropriate for this use. **In other words, banners are meant to promote a specific event and not a special program or meant to get the word out about an organization or its cause.** In certain instances, banners that represent a series of events such as the Running Series or Strings in the Mountains had their content approved by CDOT directly and do include this information. This is a special circumstance and need to be approved directly by CDOT if the Chamber directs you there. Street banners are designed to inform the public of an event and should easily comply with these content guidelines.

*These guidelines have been approved by Mike Smith, Operations & Outdoor Advertising at Colorado Department of Transportation on November 20, 2008.*

The banner schedule for 2019 is listed below. This calendar does not reflect availability or holidays. Banners can only be hung on a two-week schedule. It is not possible to add a third week.
