

## SBA Informational Webinars for Small Business Resources

**Paycheck Protection Program:** The SBA resumed accepting Paycheck Protection Program applications from participating lenders. Contact your lender or [click here](#) to find an SBA guaranteed lender. For help on calculating loan amount: [HOW TO CALCULATE MAXIMUM LOAN AMOUNTS](#).

**Economic Injury Disaster Loans (EIDL) & Advances:** The SBA is unable to accept new applications at this time for the EIDL COVID-19 related assistance program, including EIDL Advances, based on available appropriations funding. Applicants who have already submitted their applications will continue to be processed on a first-come, first-served basis.

**Previous EIDL & Advances Status:** If you submitted an application, received correspondence from SBA, and have a loan number that begins with a "3", you are in the queue and your patience is appreciated. If you would like to further inquire about the process and understand what to expect next you should contact the Office of Disaster Assistance 24/7 Customer Service line at 800-659-2955.
