- IV. Public Comments – Chairperson (limited to 3 minutes/person):
VHB welcomes public comments on all items on this agenda or of community interest. We respectfully request that this public forum be utilized in a positive and constructive manner. Please focus your comments on the issue or concern that you would like to bring to the attention of the Executive Committee.
- V. Financial Report by CFO Nicole Thompson: Nicole reported on the following reports:
 - A. TOT and TBID tax receipts for September 2014. Sales for the month were up 12.6%. The Fiscal Year 13-14 (Oct 1, 2013-Sept 30, 2014) ended in a positive 10.6% increase for TOT and TBID revenues. Good job to the entire hospitality industry!
 - B. October 2014 financials: The reports look different because of the new budget categories required by the new HBTBID agreement with the City. The statement of financial position shows a total checking/savings a positive \$145,365. The monthly profit and loss was predicted to be (\$232, 437), but was only (\$1,296). Not too much should be read into this difference due to fact. Predicted budget expenditures and actual expenditures per month in VHB's first year of the HBTBID will vary.

Motion made by Fischer and seconded by Barnes to approve the financial reports.
- VI. Chairman's Report (Fischer): Nothing to report
