

# Family Fun in Huntington Beach

Surf City USA® welcomes vacationers young and old. After checking in to one of our world-class oceanfront resorts, drop your bags and head out on a fun-filled family day in Huntington Beach!

## SURF LESSONS IN SURF CITY USA®

- Get the quintessential Surf City USA® experience by taking a **surf lesson** while in Huntington Beach.
  - There are numerous accredited surf schools to choose from all along the 10 miles of coastline, and they welcome surfers of all skill levels and all ages.
  - *Local tip: Surf lessons are better in the morning. Don't worry, wetsuits and boards are provided for you!*

## CRUISE THE BEACH PATH

- Cruise the **8-mile beach path** to dry off after a morning of catching waves. Views to the west include the shimmering ocean waves and Catalina island's silhouette, while the famous Pacific Coast Highway sits just to the east.
  - You'll run into plenty of spots to stop and grab a bite to eat, take photos, and use the bathroom along the way.
  - **Rent or buy bicycles, tandem bikes, electric bikes, surreys**, and more from any number of beach concessionaires along the bike path. You can also conveniently rent from any of the oceanfront resorts.

## HAPPY IN HUNTINGTON HARBOUR

- Head up to **Sunset Beach** for wild tales of Prohibition-era rum-running, eclectic shops, and local eateries.
  - **Rent an electric Duffy boat, stand-up paddle board, or kayak** from **Huntington Harbor Boat Rentals** and enjoy cruising through the calm harbor waters with the kids.

## PLACES TO PLAY

- **Huntington Central Park**
  - The recently built playground on the west side of **Huntington Central Park** is between the **Disc Golf Course** and **Kathy May's Lakeview Cafe**.
  - It features tall climbing structures, tunnels, bridges, a jungle gym, and even a zipline.
  - There's also a toddler-friendly area with a teeter-totter, small slide, and plenty of swings.
- **All-Inclusive Playground at the Beach**
  - This pirate-themed playground was designed to provide accessibility and promote interactive play among children of all abilities.
  - The entire playground is surfaced with rubber, as approved by the Americans with Disabilities Act.
