ASSUMPTION OF RISK, WAIVER OF LIABILITY, AND INDEMNIFICATION AGREEMENT (TO BE FILLED SIGNED BY CLIENT)

This Assumption of Risk, Waiver of Liability, and Indemnification Agreement (“Agreement”) is voluntarily entered into between Adventure Family Van Builds, LLC (“AFV”) and the Customer identified below (“Customer”).

By signing below, Customer knowingly and voluntarily agrees for AFV to commence installation - into Customer’s van (cargo, passenger or crew) or Customer’s airstream trailer - of comfort devices including but not limited to, insulation, electrical, plumbing, beds, bathrooms, showers, bunks and or chairs (“build out”). An electrical professional shall perform all electrical work. Upon completion of the build out by AFV, Customer’s van may be eligible to secure recreational vehicle status from the Motor Vehicle Division at Customer’s cost.

Customer understands that converting a van into a recreational vehicle has inherent dangers. Customer engages AFV to build out the van or trailer with complete knowledge of the possible danger involved and hereby agrees to assume and accept any and all risk of injury, property damage and/or death resulting from the build out.

While every AFV build out is fully compliant with all Gross Vehicle Weight limits, applicable load rules and regulations, AFV does not build out your Van for safety. Rather AFV installs custom items as Customer may direct and Customer understands that any build out may include foreseeable and unforeseeable risks and other hazardous conditions, which may expose Customer to injury, property damage or even death.

Customer further understands and acknowledges that AFV assumes no liability whatsoever for personal injuries or property damages to Customer or to third persons arising out of the build out.

Customer hereby agrees to release, waive, covenant not to sue, indemnify and hold harmless AFV, and all of their officers, employees and agents from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by Customer or loss or damage to any property belonging to Customer arising out

of or in any way related to the build out.

Customer agrees that the site of any lawsuit arising out of or related to this Agreement shall be Utah and that this Agreement will be governed

by and construed in accordance with the laws of the State of Utah, without application of any principles of choice of law.

In the event any legal action is taken by either party, the prevailing party shall be entitled to an award of all costs and expenses of litigation, including but not limited to Collection costs, expert and reasonable attorney's fees.

I acknowledge that I am eighteen (18) years of age and that I fully understand the terms of this Agreement. I also acknowledge that this Agreement shall bind my heirs and personal representatives.
