Dinosaur Bar-B-Que was voted the best barbeque in America by Good Morning America and 2nd best barbeque chain in the U.S. by The Daily Meal. Dinosaur Bar-B-Que began in 1983 as a mobile concession stand using a 55-gallon drum cut in half. The idea was hatched by three friends at a Harley Rendezvous, a massive motorcycle gathering. The owners believed that bikers deserve a good plate of food, so for five years, Dinosaur Bar-B-Que was served from the road, at motorcycle shows, fairs and festivals throughout the Northeast. In 1988, the Dinosaur finally settled in downtown Syracuse, N.Y. In 1990, the restaurant tripled in size and eventually opened seven additional locations throughout the northeast.
