## other things to do

When visiting the Temecula Valley, you will be amazed by all of the fun things to do. We're known for our award-winning wineries, but there's so much more. No matter the season, you'll find a variety of events. We make a celebration out of every season, so be sure to check out WinterFest, SpringFest, SummerFest and AutumnFest.

Hot Air Ballooning is a great way to see the Temecula Valley. You'll get a real birds-eye perspective. We offer a variety of golf courses, all with breathtaking vistas. There's also the Temecula Valley Golf School if you want to hone your golf skills. We're full of culture too, check out our Arts & Entertainment, including the Inland Valley Symphony, Old Temecula Community Theater and just for kids, the Temecula Children's Museum.

Temecula offers world-class shopping, check out our historic Old Town shops, Temecula Town Center, Lake Elsinore Outlets or pick up unique wine country gifts. After a day of sightseeing and shopping, you may want to spend the day relaxing at any one of our fabulous Spas.

Enjoy all that Temecula has to offer! We are Southern California's Wine Country destination.
