

### Meet. Eat. Explore.

Gather your group to imagine the future of food in a city celebrated for global cuisine, eclectic restaurants and trying something different on every plate. Toronto is surrounded by a vast agricultural greenbelt and is home to one of the largest food production clusters in North America, centrally located in Ontario's Golden Horseshoe Region. From the tender fruit and viticulture of Niagara to "Ontario's salad bowl" of farms in the fertile Holland Marsh, the city and region sustain a thriving food and beverage industry, ripe with innovation.

10,000+ RESTAURANTS AND FOOD ESTABLISHMENTS IN THE CITY OF TORONTO

3/4 OF AGRICULTURAL PRODUCTS GROWN IN CANADA ARE PROCESSED IN THE TORONTO REGION

The food and beverage scene in Toronto gets high praise because, well, it's just darn good. The plethora of restaurants featuring diverse menus makes it possible to satisfy the needs of the most discriminating palates.

- The Meeting Professional magazine, profile of local industry professional Trevor Lui

# **FOOD & BEVERAGE** IN TORONTO

- For close to a century, the **Royal Agricultural Winter Fair** has showcased the best food in Canada each November—it's the world's largest indoor agricultural event
- Nearly 20,000 food service professionals and chefs attend the annual Restaurants Canada Show, next taking place in March 2020.
- The 16th International Food Show (SIAL Canada) and the Equipment and Technology Sector (SET Canada) broke attendance records, drawing more than 25,000 visitors to Toronto in 2019.

#### **NEW AND NOW**

**AGAINST THE GRAIN.** Toronto-based **Unbun Foods** takes bread off the table with its certified keto and glutenfree foods, supplying stores and restaurants with grainfree alternatives.

**INNOVATIVE GROUNDS.** The world's first certified 100% compostable single-serve coffee pod, PürPod100 is made in Toronto by **Club Coffee**, a major coffee roaster founded here as a family business in 1906.

FIGHTING FOOD WASTE. Toronto startup Flashfood helps grocery giants reduce waste and lower carbon footprints with an app to sell end-date, perishable items. Customers order online and pick up from a fridge inside the store.

### **INDUSTRY PRESENCE**

Toronto region is home to more than 1,400 food and beverage manufacturing companies and Canadan headquarters, including:
