

An aerial night photograph of Toronto's downtown skyline. The Rogers Centre stadium is prominent in the lower center, illuminated with bright lights. The surrounding city is a dense cluster of skyscrapers and buildings, their lights reflecting on the dark sky. The city extends to the waterfront on the right, with a bridge visible in the distance. The overall color palette is dominated by the blues and purples of the night, contrasted with the warm yellows and oranges of the city lights.

RAISE THE ROOF

Experience events, attractions and entertainment unparalleled across the country. In Toronto, we're not just raising the roof. We're raising the bar.

It all happens in Canada's Downtown.
