BACK TO BUSINESS

The Tucson Convention Center and ASM Global, using their worldwide network of resources, have created the industry leading VenueShield program. VenueShield has been activated to insure a healthy reopening of TCC. ASM Global and TCC place the highest priority on the safety and well-being of staff, clients, and guests.

TCC has a Back to Business Plan for your event! This plan will include specific event details written with full regards to public safety.

We tailor each plan to meet specific needs for your event or meeting. Our priority is to keep you safe and get you *Back to Business!*

Key focus areas of VenueShield include:

WORKFORCE SAFETY

Returning our at-home workforce to the job site to serve our customers

ENVIRONMENTAL HYGIENE

Cleaning the facility to the highest standards

TECHNOLOGY AND EQUIPMENT

Exploring the new role for technology and equipment

FOOD SERVICE

Providing safe and enjoyable food and beverage offerings

CUSTOMER JOURNEY

Understanding the anatomy of our events to create appropriate standards

PUBLIC AWARENESS

Effectively communicating our enhanced operational protocols
