Bring the entire family for an unforgettable day of adventure! Create cherished memories together as you explore, compete, and enjoy every moment at The Maize at Little Darby Creek. Your perfect family weekend starts here. Arrive early to explore the 8-acre corn maze and enjoy the cow train. Zoom down the tube slide and experience the thrill of the roller slide, followed by some friendly competition in laser tag and dodgeball. Capture memories at the giant chair and other photo-ops and test your aim with the Cowabunga Cannon. Finally, wrap up your exciting day with their new addition Holey Cow Putt Putt.

On Saturday, kick off your day with a delicious breakfast at Mrs. Renison's Donuts, where you can savor her famous square donuts—a local favorite that's sure to energize you for the day ahead. After breakfast, head to Richwood Lake Park for a morning filled with outdoor adventures. Bike or take a leisure stroll around the lake, rent kayaks to explore the scenic lake or make use of the park's playground. Families can make it a perfect spot for both excitement and relaxation.

Once you've worked up an appetite, make your way to LS Treats & Eats for lunch. Treat yourself to their pumpkin pie flavored sundae and warm up with a comforting bowl of loaded baked potato soup—just remember they close for the season on October 20th! After lunch, visit Marysville Upper Reservoir Park for a peaceful walk or some fishing before heading to Fiesta Grande Mexican Restaurant in uptown Marysville for dinner. Indulge in authentic Mexican cuisine while sitting in one of their charming Disney-themed carved booths. To wrap up your busy day, return to your hotel for some well-deserved poolside relaxation, where the kids can enjoy some fun in the water while you unwind and reflect on a wonderful day spent together.
