FAYUCA

Fayuca is inspired by the free flow of flavours and ideas across borders, up and down the Pacific Coastline, from the state of Baja California in Mexico to the province of British Columbia. Fayuca meticulously sources products from the best farms, fisheries, and suppliers. Farmed products are organic or chemical free, whenever possible. All seafood is sustainable and wild caught. Their innovative, handcrafted cocktail menu pays tribute to Mexico's esoteric mysticism, and its top shelf has the largest selection of mezcal in the city. Fayuca pours beer from the best local breweries, and every wine on the menu is natural and free of sulfites. fayuca.ca

BRITANNIA MINE MUSEUM

The Mill Show

Opening in the summer of 2019, the iconic Mill building at Britannia Mine Museum will feature a multi-sensory show with an immersive sound and light experience. This must-see show will bring the massive building back to life, engaging its audience and sharing the function of the Mill and its context within British Columbia and Canada's mining history.

Foundations Exhibit on the Howe Sound Decks

Foundations on the freshly restored Howe Sound Deck is a new, permanent, outdoor, open-air exhibit located near the entrance of the Train Pavilion where our underground tour starts. Sitting 40 feet above the Sea-to-Sky Highway with breathtaking panoramic views of Howe Sound, Foundations explores Britannia's colourful history, how mining has contributed to the community and province, and the impact the mine had on the Howe Sound environment.
