

VAN COU VER

TWO-DAY ITINERARY

World class hotels, exclusive experiences, and a renowned culinary scene all add up to make Vancouver a first-class choice for a luxury getaway. This itinerary combines unparalleled access to the city's natural setting, with cosmopolitan comforts and dining.

LUXURY ESCAPES IN VANCOUVER: DAY ONE

You'll be picked up at your hotel bright and early in one of **Landsea Tours & Adventures** luxury private charter vehicles for your trip up to **Grouse Mountain**. As you travel the 20 minutes up to the base of the mountain, your driver will offer personal commentary, introducing you to Vancouver's history and sightseeing highlights. You'll take the scenic Skyride gondola to the peak of the mountain before enjoying Breakfast with the Bears. Grouse Mountain is home to two orphaned grizzlies, Grinder and Coola, and you'll get to participate in their morning feeding, learn more about them from their wildlife ranger, before sitting down to enjoy your own breakfast in the café. When you're finished, take in the spectacular views on The Eye of the Wind tour, taking you up 58 storeys to a glass viewing pod in the middle of a wind turbine. If you have time before leaving the mountain, you may want to relax with a wildlife film being shown at the Theatre in the Sky.

Take the Skyride back down to the base of the mountain and your

driver will pick you up and take you back to downtown Vancouver. Departing from Coal Harbour, embark on **Harbour Air's** Alpine Lakes & Glaciers tour, your float plane soaring over Stanley Park, Burrard Inlet, and the Coast Mountains, looking down on hanging glaciers and towering peaks before landing on a crystal clear alpine lake for a private picnic lunch. After taking in the tranquil surroundings, board your plane once again for a return journey that is guaranteed to be just as impressive.

Tonight, enjoy one of Vancouver's best fine dining restaurants, **Ancora**. During the summer, the waterfront patio overlooking False Creek is one of the most sought-after spots in the city. During cooler weather, head inside and take in the water view and twinkling evening lights through the floor-to-ceiling windows. Offering a Japanese-Peruvian menu, it's no surprise that this is the place for fresh B.C. seafood, whether it's sashimi or ceviche!

LUXURY ESCAPES IN VANCOUVER: DAY TWO

After you've enjoyed a leisurely breakfast, get ready for your fill of adrenaline as you get behind the wheel of your dream car! **Scenic Rush's** Sea to Sky Exotic Driving Experience sees you drive four different luxury supercars, including a Lamborghini and a Ferrari, along one of the most beautiful stretches of highway in the world, often featured in car commercials. You'll be picked up at your hotel and taken to Eagle Harbour, where you'll start your drive, stopping along the way to snap photos, enjoy the view, and swap with other drivers to experience the rush of piloting all four of these exotic cars.

If you prefer luxury shopping to luxury cars, instead head to Vancouver's **Nordstrom** department store for a private

shopping experience. One of their personal stylists will pick a whole wardrobe of looks based on your style and budget, ready for you to try on and model in your own private fitting room.

After your fun-filled morning, have your driver drop you off at **Hawksworth Restaurant**, Chef David Hawksworth's eponymous establishment. This is the place to experience the very finest in regional cuisine – local, seasonal ingredients are prepared with French techniques and Asian influence. If you're in the mood, reach for their award-winning wine list and enjoy a glass of British Columbian wine with your lunch.

Take it easy this afternoon, taking a post-lunch stroll around historic Yaletown, and then indulge in the ultimate in relaxation – an Asian-inspired spa treatment at **Chi, The Spa** at the Shangri-La Hotel, Vancouver. Each treatment suite at Chi offers a "spa within a spa" experience, with its own fireplace, private bath, changing area and relaxation lounge. After your treatment, continue the indulgence down a couple of floors with dinner at the hotel's restaurant, **MARKET** by Jean-Georges. One of the hottest rooms in the city, **MARKET** is known for its simple elegance and signature dishes created by one of the world's best-known chefs.
