DAY ONE

LAND

Travel in style onboard one of **Landsea Tours & Adventures** luxury private charter vehicles for your private tour. The company offers a host of custom-packages to local destinations, but we recommend a trip up to **Grouse Mountain**. Just minutes from downtown, you'll swap the city skyline for stunning views as you enjoy a spectacular gondola ride to the 1,231m peak.

High above the city you can visit the resident grizzly bears, Grinder and Coola, before enjoying an exclusive **Eye of the Wind** tour taking you up 58 storeys to a private glass viewing pod in the middle of a wind turbine.

AIR

After taking the Skyride back down to the base of the mountain your driver will pick you up and whisk you through the sparkling glass towers of our downtown core. Arriving in **Coal Harbour** you'll find your very own floatplane, ready to take you on a truly memorable experience.

Harbour Air's Alpine Lakes & Glaciers tour, sends you soaring over Vancouver's stunning natural setting, looking down on hanging glaciers and towering peaks before landing on a crystal clear alpine lake for a private picnic lunch.

SEA

As you head into the evening it's time to take to the ocean with **Sewell's Marina Sea Safari tour**. This tour explores the stunning Howe Sound water, serving up a high speed experience that will see you soar through sea mist and stunning scenery.

End your evening by sampling some of Vancouver's world-renowned cuisine. **Ancora's** sun-soaked patio is one of the city's most sought after spots, delivering views every bit as spectacular as the food on its Japanese-Peruvian menu.

DAY TWO

EXPERIENCE THE RUSH

Get ready for an adrenaline-fueled adventure on one of the world's most beautiful highways with **Scenic Rush's Sea to Sky Exotic Driving Experience**, which lets you drive luxury supercars along this stunning stretch of road.

ENJOY THE FINER THINGS

For lunch, head to **Hawksworth Restaurant**, where Chef David Hawksworth serves up the very finest regional cuisine prepared using time-honoured French techniques and unique West Coast flair. If you're in the mood, why not reach for their award-winning wine list and enjoy a glass of one B.C.'s best vintages?

SHOPPING IN STYLE

Across the street, you'll find yourself at the upscale **Cadillac Fairview Pacific Centre** mall. The Pacific Centre is home to premium retailers, designer brands, and high-end department stores **Nordstrom** and **Holt Renfrew**, where you can enjoy a private shopping experience with your own personal stylist. A short trip across the Lions Gate Bridge will bring you to the stunning indoor/outdoor **Park Royal** shopping centre in West Vancouver. For great deals on designer brands, take a trip further south of the city to **Tsawwassen Mills** or **McArthur Glen Designer Outlet**.

AND RELAX...

After all of that excitement it's time to take it easy with an indulgent experience at **CHI**, The Spa at the **Shangri-La Hotel**. Each of its luxury treatment suites offers a "spa within a spa" experience with its own fireplace, private bath, changing area and relaxation lounge. After the spa, visit the collections at the **Vancouver Art Gallery** and Northwest Coast Indigenous art at the **Bill Reid Gallery**.

After your calming afternoon, enjoy dinner at **Joe Fortes Seafood & Chop House**, a Vancouver icon that serves up steak, seafood and old school luxury.

Your trip continues just minutes away to **Capilano Suspension Bridge Park**, an exhilarating outdoor experience that's been wowing guests since 1889. Here you won't just see nature, you'll immerse yourself in it.

LUNCH WITH A VIEW

After all of that excitement it's time to refuel and enjoy a chef-made gourmet lunch that's put together fresh each day using the very best local ingredients. Then your tour will take you the short ride up the road where you can stretch your mind (and calf muscles) with an alpine adventure on **Grouse Mountain**.
